Wee Bit O'Ireland 2018

-Photos by St. Patrick's Committee, Sandy Mathews and David Sykes

Saturday, March 31st

for a free training class

Location: **Pioneer Memorial Hospital** 3 class times available: 10:00 AM, 2:00 PM, 4:00 PM

No pre-registration required, class will last about 1 hour.

A person who is bleeding can die from blood loss within five minutes. While emergency responders will arrive as quickly as possible, bystanders are almost always there first. In the case of disaster and high-casualty incidents, emergency services are often spread thin. This is where Stop The Bleed! comes in to play. This FREE training program will teach you to stop severe bleeding and Save a Life! WILL YOU BE READY?
