MCHD approves signage for Boardman building

At the Morrow County Health District meeting on Monday, Apr. 30, the board approved spending \$54,570 in signage for the newly purchased Boardman building, which, when complete, will house offices of Pioneer Memorial Physical Therapy, Home Health and Hospice, Murray's Drug and Mountain Valley Land Co. John Murray, owner of Murray's Drug, declared his interest in the project prior to voting to accept the proposal, and pledged \$25,000 of his money toward the signage costs. Other approved signage projects included \$7,154 for signage at the Boardman Ambulance Hall and \$19,954 for the Irrigon Medical Clinic. Low bid was from Carlson Sign, however, another sign company, Yesco, had

not included a proposal for the Irrigon Medical Clinic. The board agreed to go with Carlson Sign unless the Irrigon Medical Clinic signage proposal resulted in a lower proposal.

"I had sticker shock," said MCHD Chief Financial Officer Nicole Mahoney, of the signage proposals, but acknowledged that the electronic signage projects require engineering, which boosts the cost.

In other business, the board:

-received the following financial report for the period through March: \$941,437 in gross patient revenue, less \$6,289 for bad debts and \$222,663 in contractual and other adjustments, plus \$149,591 in tax revenue and \$12,871 in other operating revenue for \$874,947 in total operating

revenue, \$1,094,010 in total operating expenses, a non-operating gain of \$10,063 for a \$209,000 loss for the month, a \$14,126 year-to-date loss.

-learned from CEO Bob Houser that Dr. Richard Aballay has received his Oregon Medical License and is credentialed with Medicare and Medicaid. He is currently seeing patients at Irrigon Medical Clinic.

-learned from Houser that Caroline Jackson, RN, has been hired as the new Home Health/Hospice Director. Houser said that Jackson, who has resided in Alaska, plans to move her family to the Heppner/Lexington area. Her Oregon RN license has been approved and she was scheduled to begin with the district on May 2.

-heard from Houser

the district has received approval for all spaces in the Boardman building from Brett Cook, building inspector.
