Sunday, Aug. 12 from 5 to 7 p.m., Music in the park at the Heppner City park, featuring Wasteland Kings. Additional information available soon.

A View From The Hill

By Doris Brosnan

A view of the Willow Creek Terrace facility encourages visitors to join us for a chat, a tour, a relaxing view. It does not, however, offer details of the not-for-profit organization that aims to serve individuals who wish to have some professional assistance with some daily needs, provided in our small, familiar community. Thus, today's column does offer a view behind the scenes, so to speak.

Willow Creek Terrace, as a not-for-profit organization, is not part of the Morrow County Health District. It does, however, contract with the district for management services. And through the district, the Terrace has access to nursing, bookkeeping, maintenance, purchasing, educational, financial accounting, and other support.

Daily operation of the Terrace is the responsibility of Administrator George Nairns and the Terrace staff of eleven employees. The board of directors meets quarterly, with a smaller governance committee meeting in the month preceding each board meeting. Presently serving on the board are Jeff Bailey, JoAnne Burleson (previous chairperson), Tim Dickenson, Jon Gould, Mark Miller (also a governance committee member), Shirley George (secretary and governance committee), Nancy Snider (vice chair and governance committee) and Robin Bredfield (chairperson and governance committee). Among several other individuals who have served various lengths of time on the board is recently retiring, long-term member Diana Ball.

At its last meeting, the board of directors recognized the advisability of creating a marketing and public relations subcommittee. Readers are encouraged to contact a board member or Nairns to show interest in serving on the subcommittee, which will distribute brochures, create a Facebook page, update the web site and produce news articles.

Board members have agreed to work on a big project that the Terrace staff has enthusiastically begun to organize. Rocking the Longest Day will fall on June 21, when the Terrace will sponsor the event in support of the Alzheimer's Association's fight against this disease that affects mil-

with RP and didn't find anything out of place.

-MCSO received a report at Paterson Ferry Rd/I 84 W, Boardman that a wrong way driver hit a vehicle on I 82 and continued on. Unable to locate.

-MCSO received a report at Lamb Weston West Plant on Columbia Ave NE, Boardman that she came out of work and two tires are completely flat. Unsure if someone did something to the tires. Deputy provided courtesy ride.

-MCSO received a report pm Ione Gooseberry Rd, Ione that there is a vehicle off the road on lower corner. Advised checked the area and no sign of ejection.

lions of Americans. Readers are invited to participate in the "rock off" that will run from 5:30 a.m. to 8 p.m. Four (or more if needed) adult and four children's rocking chairs will be available. Each participant can sign up for a half-hour or more of rocking by coming in or calling 541-676-0004. The rockers can contribute pledges they have collected and/or their own donations.

The day will truly be festive and filled with additional activities. A free continental breakfast for participants will be served from 5:30 until 10 a.m. A free barbecue lunch will be served from 11:30 a.m. until 1 p.m., sponsored by the Bank of Eastern Oregon. Topping off the lunch will be cupcakes compliments of Krystal Haak, owner of Sweet Delights in Pilot Rock.

Everyone will have a chance to win a door prize, with drawings throughout the day (no need to be present at a drawing). Items will also be featured as raffle prizes, the winning tickets to be drawn at the end of the day. Anyone who wishes to contribute items for either of these two activities should contact Nairns.

Available for purchase that day, in memory of someone who has dementia, will be forget-me-nots that have been started by the Terrace residents. Buyers will have the option of planting them at the Terrace or taking them to be planted elsewhere.

Coloring for children and sidewalk art opportunities will be offered all day. And educational handouts, discussions and a video will be presented three times that day, once in the morning, once in early afternoon and once in the evening.

Enthusiasm is common at the Terrace, so mothers on Mother's Day were honored with a very special luncheon and the Tea Party yesterday, which included cucumber sandwiches, was a hit with many. Tomorrow, Mustang Mop-Up will also receive enthusiastic appreciation and interaction with the young workers. This month that began with May Day and then Cinco de Mayo has featured several special observations and will feature more before it ends with Memorial Day and then Mint Julep Day. Both the serious and the frivolous are viewed with enthusiasm at Willow Creek Terrace.

RP advised there is front end damage to the vehicle.

-MCSO received a report at Green Acres on Paterson Ferry Rd, Irrigon that a driver hit RP with the mirror of his truck. Advised he didn't need EMS and didn't want to be a victim.

-MCSO received a report on Boardman Ave NW, Boardman that RP would like to speak to a deputy about her brothers that are acting suspicious.

-MCSO received a report on I 84 W, Boardman regarding a dark silver Honda with WA plates.

-MCSO received a report at Irrigon Fish Hatchery Office on Riverview Ln, Irrigon that there is garbage with a name on it dumped west of the main boat launch.

-MCSO received a report at Love's Travel Stop and Country Store on Tower Rd, Boardman that his vehicle has been involved in a hit and run.

-MCSO received a report on SE Utah Ave, Irrigon that a green Dodge spun tires on Utah, went down towards Division and then towards Hwy 730.
