## CARD OF THANKS

A heartfelt thank you to everyone who helped fight the fire up Hinton Creek last week. I happened to be home sick that day and had no energy to help water down the area around our house, with Rick in the mountains working. I parked up the road from our home and just watched and prayed for a miracle that the fire would not take our home as numerous community volunteers raced around our house fighting the fire, we owe a special thanks to Jay and Wacy Coil, Cliff & Coby Dougherty, Steve Marlatt and to my sister Shari Ober and Rick Gorsky. Thank you to Ashli and Tim Gould for stopping by to see if we needed help gathering any of our belongings and to Taylor Brannon for her concern.

The day after the fire, a hot spot got started up again at our neighbors and we would like to thank Dave Pranger, who happen to be passing by and took the time to stop check on it, Kyle Robinson also noticed it and they worked together to put the fire out and watered down the fenceposts good, Kyle also gave me his cell phone number so I could call if anything else flared up again, that was my life line that day because Rick had returned to the mountains to work.

Thank you to our fire department, our volunteer fire fighters, our community for feeding them and providing water, for neighbors that provided tractors, to the police force and to everyone that phoned us, offered meals to us, offered their support and thank you to our dear Lord and savior for protecting our community families, their homes, their out buildings,

their animals, their properties and their crops.

Sincerely,  
Rick & Shelli Britt

There are no words to adequately express the gratitude we have for the volunteer firefighters from Heppner and the surrounding areas and the community members who brought equipment and provided help in any way to extinguish the fire starting on Hinton Creek. It would be impossible to name all of the overwhelming number of volunteers who worked tirelessly to control the fire. Thank you also to the community members who gave donations of food, water, time and funding for supplies to support the volunteers fighting the fire. We will forever be grateful to everyone.

I need to thank-you, the community, a year ago my husband passed and I did not thank the people that helped me through the time of need. I want to thank my family that always is the core of my strength. The emergency team, 911, the police department, and Rusty, that was supportive and competent at that time. Sweeney's family and business, Heppner Catholic Church and the Altar Society, Union Pacific Railroad Carman that took their time to support me, and our community that always show up in a time of need. We are so lucky to live in a community that comes together to support the people of this area, always in a time of need. I feel blessed that I live in such a caring community. Thank you again everyone for your support, Kathy Cutsforth - Fullmer

The Heppner Volunteer Fire and Rescue would like to thank all of our Brothers from Morrow County, Umatilla County, Gilliam County, ODF and USFS that came to help us with our large fire last week. There were also several private entities that brought equipment, cats, road graders, tractors with discs, tenders, small engines to spray water and the people that manually fought by hand. We greatly appreciate all you did to help. We also thank ODOT, MC Road Dept and MCSO for keeping the roads passable and safe for us. We then get to this community, it was a great surprise to get the food and beverages delivered out to all of us and left at the fire hall. We had some very grateful firefighters when they came in to get more water they also got a sandwich and a cold drink. This is another example why we love it here, no one was asked to do it everyone just came and helped. The fire burnt approximately 20,000 acres and NOT one structure was lost and no one was injured. Thank you ALL again from a grateful Fire Department.
