# Mustang football falls in home opener

The Heppner Mustang football team battled the Santiam Wolverines in their home opener last Friday and lost by the score of 14-8. The Wolverines, from Mill City, are currently the number one ranked 2A team in the OSAA state rankings. They finished last year as the state championship runner up team falling to the Monroe Dragons in the championship game.

The Mustangs kicked off to start the game and Santiam took the ball right down the field and scored on their opening possession. It was a run heavy drive that gave the Wolverines a 6-0 lead just minutes into the game.

The rest of the half had both teams driving up and down the field but neither could reach the end zone. The score at halftime was 6-0 in favor of Santiam.

In the third quarter, the Mustangs got their first score of the season. Mason Lehman broke through the line and outraced the entire Santiam defense for

an 84 yard touchdown. Gavin Hanna-Robinson ran the ball in for the two-point conversion to give the Mustangs an 8-6 lead as the third quarter came to an end.

It was another defensive battle in the fourth quarter as both teams' defenses seemed to be ahead of their offenses at this early point of the season. Santiam scored again when one of their talented running backs found a hole to run through and scored a touchdown. That gave the Wolverines a 14-8 lead.

Heppner had a couple chances late in the game to score when Santiam turned the ball over but the Mustangs were unable to convert. The final score of the game was 14-8.

Jayden Wilson was 4-17 passing the ball for 31 yards and had one pass intercepted. Mason Lehman caught three passes for 20 yards and Jackson Lehman had one catch for 11 yards.

yards on five carries and a touchdown. Wilson rushed for 45 yards on 11 attempts and Blake Wolters carried the ball 10 times for 16 yards.

On the defensive side of the ball, Jason Rea led the team with 16 tackles and Tyler Carter recorded 11. Wolters and Wilson

had six tackles each while Hanna-Robinson made five. Logan Burrigh, Kevin Rea and Jackson Lehman each had four tackles in the game and Kellen Grant finished with three. Matt Orem and Mason Lehman each had two tackles in the game and with one tackle each were Reno Ferguson and Hayden

Hyatt. This week the Mustangs travel to Bend to take on the Lost River Raiders. The game will be played at Summit High School on Saturday at 5 p.m. It is part of a double header that starts at 2 p.m. when Grant Union will play Gold Beach.

In Oregon 2 people per day die by suicide.... one in five victims of suicide is a veteran. Oregon Department of Veterans Affairs encourages all Counties to help highlight September 22nd in recognition of the 22 veteran suicides that occur across the nation each day. Veterans are at risk for suicide for all the reasons a non-veteran might be, such as coping with the effects of aging, legal problems, exposure to bullying behavior, relationship problems or financial stress.

Additionally, veterans may be dealing with lingering effects from their military service, difficulties with readjusting to family roles and civilian life after discharge, and underlying mental illness.

During music breaks we will have local providers share information about their services and a few wellness tips.
