CARD OF THANKS

Where do you begin to say thank you, when those words don't seem to be enough. I do not have a FB page, but I have a friend Vickie who lets me go through her. To be able to see what community has done to support Terra, Martha and myself is unbelievable. To the committee for Team Heppner, Judy Healy, Rhonda Winters, Darcy Robinson, Betty Hickerson & Stephanie Rill. We thank you for ongoing prayers for each of us, support, kindness and love you have shown. To The Community of Business and The Members of this community, you have made us laugh until we cried. We'll never forget your faces, I have saved the videos. My family has also been touched by the community's thoughtfulness of doing The Ice Bucket challenges. I want to thank my Pioneer Memorial Hospital family for their ongoing support of me. I love each of you who have done nothing but been here for me each every day. I loved my job over the years, the people who have worked with me and the patients the hospital has served. My co-workers in the Patient Business Office thank you for covering when I've been gone. Dr Hambleton, thank you for taking care of me & giving me all your phone #'s! To each of you who have called, sent cards, given hugs and the kind words. It means a lot to me. It's been hard to receive at times when you're used to doing for others. And now you're the one who needs the help. As we all know how

hard it is to ask for help. To my loving family, you are everything most us want in a family and proud of each of you. There's where I've been the luckiest. I've said more than once, I have a loving family, friends and a good life. My family thanks each of you for all you've done and of course the ones who did The Ice Bucket Challenges.
