CARD OF THANKS

To The Incredible Community of Heppner:
As most of you know, our family recently lost our home in a fire. While this could have been totally devastating, something prevented us from truly experiencing a total loss! That something was THIS unbelievable community! The amazing support and dedication has come from the volunteers who: fought the fire, to half the town searching for our pups for hours until they were found safe, the bank account set up in our name... not to mention the many people just insisting we take their generous, personal donations, to the home that has been open to us for over three months and the many, many people offering goods or services FREE, and of course, the endless hugs and prayers has all been humbling and so very much appreciated. We are beyond grateful and there are just no words to express our gratitude and thanks.

We have moved into a new place and although it will not be our old house, it will be HOME because it is in Heppner-a community that has filled our hearts and become like family! There is a saying "Although every day may not be good, there is something good in every day." In our experience, our community has been that "something good" that has gotten us through! Words are not enough to truly thank the people of this amazing little town. All we can say is THANK YOU-from the bottom of our hearts! We are truly blessed!

Sincerely,
The Wilson Family

Thank you for your concern and kindness during my recent surgery and helping me with my recovery. Thank you for the flowers, cards, visits, food, phone calls, books, candy, and prayers. I appreciate everyone and you are simply "the best". What a special place the Willow Creek Valley communities are!

Sincerely,
Betty Gray

PUBLIC NOTICE

US Forest Service - Public Notice: On Friday, October 26, 2018, the Forest Service published a legal notice ("Legal Notice of Additional Opportunity to Submit a Request for Interested Person Status") in The Oregonian regarding the Revised Land Management Plans (Forest Plans) for the Malheur, Umatilla, and Wallawha-Whitman National Forests (Blue Mountains). The 60-day objection-filing period ended on August 28, 2018, and the objection letters received by the Forest Service are available for public review at www.fs.usda.gov/goto/BlueMountainsPlanRevision. Due to the large volume of objections that the Forest Service had to process, as well as delays that occurred in mail services, there were objections that were not posted online for review during the initial 10-day filing period held in September. Therefore, the Forest Service has made these newly-posted objections available for review online and has announced an additional 10-day interested person filing period: October 27, 2018 through November 5, 2018. If you have already submitted a request for interested person status, your original request will be honored. You do not need to submit another request unless you are interested in one of the newly-posted objections. If you would like to submit an amended request or a new request, please follow the specific instructions provided in the legal notice available at www.fs.usda.gov/goto/BlueMountainsPlanRevision and also in The Oregonian. Written requests for recognition as an Interested Person (36 CFR 219.57) must be submitted no later than 10 days from the publication date of the legal notice in The Oregonian, that is, by 11:59pm Eastern (8:59pm Pacific) on Monday, Nov. 5, 2018. Requests will be considered by the Reviewing Officer, and eligible Interested Persons will be notified in advance of any objection-resolution meetings. These meetings will be open to observation by the public, and their date(s), location(s), and agenda(s) will be posted to the above website.
