Shriners game chooses lone football player

Josh Gray, an offensive and defensive lineman for Lone High School, was selected to play in the 67th Annual Shriners Hospital East-West All Star Football game. This is a very prestigious honor and worthy cause, as the game raises money for the children in the Shriners Hospitals. The last football player to be selected to play in the East-West Shrine from Lone High School was Paul Neiffer in 2005.

Lone football coaches JJ Rosenberg and Tanner Rietmann describe Josh as a dedicated athlete who carries himself with maturity

and a strong sense of self. "During his senior season, Josh was the foundation of our team, both physically and mentally. He did everything asked of him at the highest level of effort. He set an example for all of our players each day both on and off the field. Josh is absolutely deserving of this honor and the lone community could not be more proud," says Assistant Coach Rietmann.

The 67th Annual Shriners Hospital East-West All Star Football game is set to be played Saturday, August 3, 2019 at the Baker City High School stadium.
