

Food, food, food available at the fair

Local favorites Tacos Hometown, Breaking Grounds and the 4-H Snack Shack are just a few of the local food vendors available at this year's fair.

There will also be some new vendors that could become your new favorites. Filipino Cuisino will serve yummy flavors of The Philippines and Curbside Café and Catering will serve breakfast, lunch and dinner. Polynesian food, elephant ears or dippin' dots are also available. And you can enjoy a nice cold adult beverage provided by Bucknum's over by the stage.

The Curbside Café's breakfast menu will include breakfast sandwiches and biscuits and gravy. Lunch and dinner will serve NW beer battered fries (bacon, cheese, ranch and green onions) and SW beer battered fries (taco meat, salsa and sour cream). They will have a Philly steak sandwich, French dip or a prime rib sandwich served with tots, fries or onion rings as well as hand-dipped corn dogs and regular or jalapeno sausage dogs.
