

Ride 'em cowpokes

Stick horse races back at this year's rodeo

The Morrow County Rodeo will again have the stick horse races for the youngest cowboys and cowgirls to share in the thrill of being part of the Morrow County Rodeo. Each contestant needs to bring their favorite stick horse, or the committee will have some they can use.

Sign-ups will be right before the MoCo rodeo on Sunday. Participants' ages as of the rodeo date will determine what age group they will be in. The three age groups will be: three and under, four- and five-year-olds and six- and seven-year-olds.

Your little one will enjoy the stick horse race

Fun activities for all ages

OMSI will be providing fun for all ages on Friday and Saturday this year. Energetic kids are invited to bounce in the inflatable bounce houses, get their face painted or hang out in the arcade room.

Join the cupcake war

There will be a special cupcake war held at the fair for those who love to back and decorate cupcakes. The event will be for those ages 7 to 17 and all entries will be judged on presentation. Page 49 of the premium book has more information.
