

Spanish students celebrate Dia de los Muertos

During the first of November, students in Mrs. Payne's Spanish II, III and IV classes learned about and celebrated Dia de los

Muertos (Day of the Dead). Dia de los Muertos is a holiday celebrated in many parts of Latin America and is a time to remember and

honor loved ones who have passed. This holiday is a blend of indigenous and Latin American culture and has been celebrated for

hundreds of years.

In present day it is celebrated in many ways; some include parades, arts and crafts, music, food, visiting of the graves and creating altars for the deceased. Spanish II students created ofrendas altars, or offering tables, in memory of a loved one. The ofrendas include pictures, favorite foods, drinks and pastimes of the deceased. Spanish III and IV students created sugar skulls, mags and decorated pumpkins.
