THANK YOU

close and extended family who dropped everything when things took a turn for the worse and came down to help make the house wheelchair accessible, build a ramp, and celebrate Jim. We truly believe that it gave him peace to have his family come and allowed him to let go of his suffering. Thank you to Chris Humphreys and Jay Coil for showing up to help a man they had never even met when he was too weak to get up without assistance. Thank you to Pat Sweeney who helped us navigate one of the most difficult days of our lives. Thank you to those of you who called, stopped in, or texted offering condolences and support when you learned of Jim's passing. It meant a lot to hear from you. Thank you to Teri Denton for gifting Donna with a haircut after months of being unable to get to the hairdresser. Thank you to Nathan and Kasandra Kennedy for continuously checking in on Donna while she was hospitalized after Jim's passing, helping get a fire started in her house when she was discharged, and providing extra wood to help keep her house warm this winter. We know there are probably multiple other kindnesses that we don't know about and we are grateful for this community.

It's hard to see good in the world when a loved one loses their battle with a devastating illness like cancer. However, the past month has shown our family just how much good there is in our little community. First, we would like to thank Dr. Hambleton, Dr. Jim, and the staff of Pioneer Memorial Hospital for their excellent care. Second, we would like to thank members of South Morrow County EMS, particularly Stephanie Rill, and Heppner Fire Department who showed up on duty and off whenever we needed help and treated Jim with kindness and dignity at every turn. The family of Alita, John, and Kellie Nelson have helped with everything from providing a wheelchair that would fit Jim, to helping decorate and organize the celebration of life held before he passed, to helping Donna navigate her housing situation after his passing.
