## Morrow County Farm Service Agency announces election results

Morrow County U.S. Department of Agriculture (USDA) Farm Service Agency (FSA) announced that Mark McElligott of Ione was elected to represent his local administrative area (LAA 3) during the recent county committee election.

"County committee members are a critical component of the day-to-day operations of FSA," said Kyle Carnine, county executive director. "They help deliver programs at the county level and work to serve the needs of local producers. All recently elected county committee members will take office in January 2020 and will be joining the existing committee."

Every FSA office is served by a county committee made up of local farmers, ranchers and foresters who are elected by local producers. Nearly 7,800 FSA county committee members serve FSA offices nationwide. Each committee has three to 11 elected members who serve three-year terms of office.

County committee members impact the ad-

ministration of FSA within a community by applying their knowledge and judgment to help FSA make important decisions on its commodity support programs, conservation programs, indemnity and disaster programs, emergency programs and eligibility.

County committee members impact producers through their decision making and help shape the culture of a local FSA office. They also ensure the fair and equitable administration of FSA farm programs in their counties and are accountable to the Secretary of Agriculture. Members conduct hearings and reviews as requested

by the state committee, ensure underserved farmers, ranchers and foresters are fairly represented, make recommendations to the state committee on existing programs, monitor changes in farm programs and inform farmers of the purpose and provisions of FSA programs. They also assist with outreach and inform underserved producers such as beginning farmers, ranchers and foresters, about FSA opportunities.

For more information, visit the FSA website at fsa.usda.gov/elections or contact the Morrow County FSA office at 541-676-9011.
