# 2020 East-West Shrine game cancelled

The East-West Shrine All Star Football game scheduled to be played August 1 in Baker City has been cancelled due to Covid-19. High school players from Heppner and Ione invited to play in this year's game will now miss out on the opportunity.

Mason Lehman and Gavin Hanna-Robinson from Heppner and Wesley Goad, Ione, were invited to play on the East team for 2020. Alternates were Kellen Grant and Jason Rea, Heppner, and JR Roque, Ione.

Once a year, Oregon's best and brightest senior

football players from the 1A to 4A high schools meet in Baker City to participate in an all-star football game that is much more than a game. These healthy players are playing for the children who are patients of Shriners Hospital for Children.

The players learn why they play in this important game, when they visit Portland Shriners Hospital for Children and meet the children for whom they are playing. This meeting with the children forms bonds between the players and the patients. The players learn how important their contri-

bution is to these children through interaction and play, leaving the players with a new understanding of their mission. The players participate with a common goal and, although they play on two different teams, they are united in their purpose and are only opponents on the field.

According to Shriners International, the game is the largest fundraiser in Oregon for the Shriners Hospital and is considered the second-largest athletic moneymaker for Shriners Hospitals in North America. At this time the 2021 game is scheduled as planned.
