Music in the park resumes

Neymark and Sons will perform Sunday, July 11 for Heppner's Music in the Park.

Heppner's Summer Music in the Park program resumes on Sunday, July 11, from 5:30 to 7:30 p.m. in the shade at the city park on Main Street. This month's performers will be a group called Neymark and Sons, consisting of Joel Neymark and his sons Gabe and Elijah (a Heppner resident). The group is looking forward to sharing their gifts for making music with the community, in a style they refer to as "eclectic folk music flavored with campfire jam sessions." Joel will be playing fiddle, mandolin, recorder and guitar. Gabe will be on bass and guitar and Elijah on

ukulele and bass, with all three on vocals. Hopeful Saints Ministry, facilitator of these concerts, will be offering pulled pork sandwiches, coleslaw, cookie and drink for purchase by donation to their Mission and Outreach well fund. In the event of rain, be grateful (and bring your umbrella). The August 8th concert will feature a return of The Wasteland Kings and on September 12th, Chasing Ebenezer will be back. These events have been made possible by a generous grant from the Morrow County Unified Recreation District.

"Preference is given to students in their sophomore through senior years of college. However, we encourage students to apply every single year of one's college experience," said Vince McElligott the committee chair. The scholarship committee is composed of Ione residents Monica Swanson, Linda LaRue and Anne Morter, as well as, Matthew McElligott of North Powder, OR and Vince McElligott, of Houston, TX, two of Maryan's sons.

Scholarships are awarded to students who share and demonstrate Maryan's values but may lack financial resources needed to pursue their college education. The following criteria are used to select scholarship recipients: high academic achievement; demonstrated character; community, family and school involvement;

and financial need. The L.J. McElligott family initially set up the endowment fund in 1994, and it is administered by the Oregon Community Foundation. The Maryan L. McElligott Memorial Scholarship fund makes annual awards to graduates of Ione High School who are enrolled or will be enrolled in a full-time undergraduate course of study at any accredited post-secondary institution, including out-of-state institutions. Applicants, including McElligott scholarship recipients, may reapply each year as long as they meet the eligibility requirements. All Ione Community Charter School graduates are encouraged to apply. Applications are available through the Oregon Student Access Commission at <http://www.oregonstudentaid.gov/>.

What kind of hornet is this?

A Gazette-Times reader brought a hornet by the office recently. It was about 1.4 inches long and kind of looks like a European Hornet. It was found in Lexington.
