# Athena Caledonian Games scheduled

## Br-r-r-r-r-ring on the Games

Athena Caledonian Games continues its long history of Highland Gatherings in Athena, OR with a day of family fun at Athena City Park on Saturday, July 10. Starting with our parade on Main Street at 9 a.m., everyone is invited to go to City Park for an old car show, a kiddie bike parade, a pet parade, contests and games for kids and a Bonniest Knees Contest... well, everybody is wearing kilts or at least shorts, right? (Judged by the senator's wife, who will be blindfolded, that should be something to see.)

Touches of old, traditional Scotland will be evident with lots of kilts, piping, an athletic competition where he-men throw hay bales, hammers, stones and telephone poles (cabers), music of the Tri-Cities-based Celtic Band, Skweez the Weezle, a demonstration by the Tri-Cities School of Highland Dancing where you'll see the Highland Fling and enjoy family fun.

Caledonian Games is hosting the Big Idaho Potato Truck..... an opportunity to snap family and friends with the famous truck from Idaho potato ads on TV. Free Caledonian Games programs, sponsored by Umatilla County Cultural Coalition, list the full schedule and feature the 20th century Caledonian love story of a Highland dancer from Portland and a wheat farmer from Helix.

Caledonian's Chieftains of the Year, all from Athena and elected by Main Street Association (formerly Athena Chamber of Commerce) are Alan and Chrissy Froese. Honorary Chieftains of the Day, elected by Athena Caledonian Games Association, are Michelle Kirby, graphic artist and all-around Caledonian supporter and R. Lee Friese, music director and conductor of Inland Northwest Musicians and all-around assistant to the games. They will be introduced and honored at an Athena Christian Church service on July 4th at the end of the 10 a.m. service in the park. Master of Ceremonies, Senator Bill Hansell, will then introduce them at a ceremony in City Park after the parade. The responsibility and prerogative of the Chieftains all-together is declaring, "Let the Games begin."

Athena is located off Highway 11 equidistant between Walla Walla and Pendleton. City Park has an address of 353 S. Third Street. Please check [www.athenacaledonian.org](http://www.athenacaledonian.org) and Facebook for information. Hoot, Mon, the event is free. A Highland Games experience at Athena Caledonian Games from 9 a.m. to 5 p.m. will include food, vendors, Scottish music, dancing, sport and a good gathering of friends.

# Forest moves to Phase A Public Use Restrictions

Due to increased fire danger and dry weather conditions, Phase A of the Public Use Restrictions (PURS) for smoking, off-road travel and chainsaw use went into effect on the Umatilla National Forest on Friday, June 25, 2021.

Phase A is the first level of restrictions, generally implemented when the fire danger is moderate to high. PURS are phased in collectively, as conditions warrant, and may differ from Forest to Forest. Restrictions under Phase A include:

- Chainsaws may be operated only between the hours of 8 p.m. and 1 p.m. local time. A one-hour fire watch is required after saw operations cease. Saw operators are required to have an axe (minimum 2 lb. head, 26" length), shovel (8" wide, 26" length), and fire extinguisher (minimum ABC 8 oz.) in their possession.
- Smoking is allowed only in enclosed vehicles, buildings or cleared areas.
- No off-road/off-trail vehicle travel or travel on roads not cleared of standing grass or other flammable material; no vehicle travel on those Forest Service roads where access has been impeded or blocked by earthen berm, logs, boulders, barrier, barricade or gate, or as otherwise identified in the Fire Order.

The public is also encouraged to practice safe campfire principles when recreating in dispersed and developed campsites. Forest officials recommend the following campfire safety precautions:

- Campfires should be in fire pits surrounded by dirt, rock, or commercial rings and in areas not conducive to rapid fire spread. All flammable material shall be cleared within a three-foot radius from the edge of the pit and free of overhanging material. Use existing pits wherever possible. (Note: within the Grande Ronde Scenic Waterway, campfires must be contained in a fireproof container (i.e., "fire pan") with sides of a height sufficient to contain all ash and debris, and all ashes and debris must be removed from the river corridor. Do not use or construct fire pits or rock fire rings within the Scenic Waterway.)
- Campfires must be attended at all times, and completely extinguished prior to leaving.
- Persons with campfires should carry a tool that can serve as a shovel and one gallon of water in their possession. The intent of this recommendation is to ensure individuals with a campfire to have the tools necessary to completely extinguish their campfire.

The public's awareness of the increasing fire danger and cooperation is essential to a safe fire season. Recreationists, firewood cutters, hunters and other forest users can all help by closely adhering to restrictions, operating safely and cautiously and keeping up to date on the latest orders and regulations.

Regulated closures may be in effect on state and private lands protected by Oregon Department of Forestry (ODF) in northeast and central Oregon. Please check with your local Oregon Department of Forestry office for PURs on lands protected by ODF. For more complete information, contact a local Oregon Department of Forestry office or visit one of the interagency dispatch centers' webpages:

- Blue Mountain Interagency Dispatch webpage: [www.bmidc.org](http://www.bmidc.org)
- John Day Interagency Dispatch webpage: <http://bicc-jdcdc.org/index.shtml>

Similar restrictions may also be in effect on State and private lands protected by the Washington Department of Natural Resources (WA-DNR). More information can be found on the WA-DNR website at: <http://www.dnr.wa.gov/>.
