Mustangs face tough competition on the diamond

By Blake Carter

After their first contest, Heppner baseball looked to continue their success as they hosted the Baker/Powder Valley co-op team. The softball team took the diamond for the first time this season, as they hosted the Baker/Powder Valley co-op team as well. Thursday afternoon was a busy day for all Mustang teams on the diamond.

Heppner baseball lost two tough games to Baker, 7-2, and 18-8. The first contest was controlled by the Baker pitching staff. Heppner did take an early 1-0 lead but that quickly diminished. The second game was a shootout, Heppner took an early three run lead before Baker jumped back in front. Heppner took the lead again and held it until the seventh inning. Baker came to bat in the top of the seventh down 8-7, the Bulldogs tacked on a run and tied the ballgame at eight. Heppner couldn't get their bats going in the bottom half of the inning, so the game went to extra innings. Baker jumped on the Mustangs and scored 10 runs to finish off the game.

The Mustang softball also fell in two games, the lady Mustangs kept the first game close before taking a tough loss in game two. Heppner softball would spend a couple days of their spring break on the diamond as well, as they hosted the Vernonia Loggers and the Knappa Loggers for two tough double headers. Vernonia and Knappa got the better of the Lady Mustangs as Heppner couldn't find a win on the weekend.

Both teams will look to grab a pair of wins this weekend in two doubleheaders. The baseball team will take on league opponent Union, on Saturday starting at 11 a.m. The softball team will also face a league opponent in Weston McEwen on Friday at 2 p.m. All four contests will be in Heppner this weekend.

Members of the Ione FFA Chapter attended the State FFA Convention in Redmond over spring break. "It was a great group of members to take," said FFA Advisor, Erin Heideman. "I am anxious to help rebuild the program again and recognize the tremendous young people in our school."

Accepting the prestigious State FFA Degree were Grace Ogden, Madison Orem and Gary Walls. Grace also earned a gold in advanced portfolio while Liam Heideman earned a silver in beginning portfolio. Gary Walls was also a top four finalist for the state farmer placement, a coveted award, and Madison Orem earned 4th place overall in the job interview career development event, a highly competitive event. Ione also boasted a marketing team, the 2nd such team in the chapter's tenure; team members were Grace Ogden, Jolene Serrano and Kelly Doherty.

Chapter members are already planning for their next round of events in the shop skills contest in April and an ag mechanics and crop science team in May. FFA, once known as Future Farmers of America and changed its name to just the National FFA Organization in 1989, is the largest youth leadership organization in the United States.
