Ione bake sale deemed success

The bake sale for Ukraine Refugees held by the Ione Community Church, with support from other area churches, that was held May 1st was deemed "an amazingly successful bake sale," according to sale chairperson Betty Rietmann. "We had

hoped for \$5,000 but with anonymous donations from very generous people we raised far more." She went on to say, "As gratifying as it was to raise so much for the refugees, it was wonderful to see our communities coming back together for coffee, conversation and a

good cause on a beautiful day in the park." The donations raised will be personally delivered by Pastor Clabaugh to a church actively involved in getting refugees settled in this country as soon as possible.

Mustang golf heads to state

Mustang softball concludes season; baseball schedules last minute doubleheader

The Mustang golf team has had a very successful season this year. The team was able to earn themselves another week of golf as the team placed third at their district tournament in Pendleton. The team played the same course for two days in a row, and after two days of competition the team came in third by shooting a 906. Second place Vale shot a 900 behind the district champion Grant Union Prospectors who shot an 877. The team now competes in the 3A/2A/1A state championships in Banks, OR. Individually Cody Fletcher was just one place out of fifth, which would have allowed him to compete in the individual portion of the competition. Fletcher shot a 196 two-day score.

The Mustang softball team rounded out the season with a home game against Irrigon and a road doubleheader in Union, competing with the Union/Cove softball team. Heppner grabbed a run rule

win over Irrigon 11-1, before falling to the Union/Cove co-op 14-7, and 13-3. Heppner concludes a very challenging season, and graduates three seniors, Aubrey Blakely, Cassidy Henrichs and Kylie Boor. The young team will look to build next season, as they return much of their lineup. Heppner baseball dominated the Lyle/Wishram/Klickitat co-op team in two run rule wins, 19-0 and 24-1. Heppner won game one behind an explosive offense, and a combined no-hitter from the Mustang pitchers Toby Nation and Zander Fisher. Heppner scored their 19 runs on 16 hits. Nation and Cameron

Proudfoot each batted in four runs as the Mustangs rolled. Game two Heppner continued their hot bats, scoring 24 runs on 23 hits. Nation, Proudfoot, Caden George and Jake Lentz each batted in three runs. Tucker Ashbeck batted in four runs in his return to action after missing time due to injury. The Mustang baseball team scheduled a last-minute doubleheader with 3A Horizon Christian, Tualatin. The team will head down for the road doubleheader on Wednesday. Heppner golf competed at state on Monday and Tuesday, and the Heppner track team will head to Eugene for its state track competition as well.

Fast Facts About the Morrow County Health District Ambulance Service

MORROW COUNTY HEALTH DISTRICT
Excellence in Healthcare

? What is an Ambulance Service Area Plan?

An Ambulance Service Area Plan is a State-approved document governing the provision of emergency medical services for each ambulance service area in the State of Oregon. Each ambulance service area is governed by one plan. In our county, there is a single ambulance service area, which is covered by Morrow County Health District.

? What is the purpose of an Ambulance Service Area Plan and why is it important to me?

An Ambulance Service Area Plan ensures that residents of an ambulance service area have access to an efficient, carefully coordinated medical emergency response system. The State of Oregon has determined that sending multiple providers to a single call presents risks to the public and patients that do not outweigh the benefit of that action. The ASA Plan helps all first responders to coordinate their efforts to better serve our communities.
