# Health district and labor union reach agreement

The Morrow County Health District and its labor union the American Federation of State, County & Municipal Employees (AFSCME), have reached agreement on a new labor contract, it was announced at the July 25 district board meeting. The contract runs from July 1 of this year until June 30, 2024.

In addition to wages and benefits, the contract covers hours and overtime, vacation time, sick and paid leave, employee rights, disputes settlement and many other aspects of employment with the district. On the wage scale employees received a 4.5 percent cost of living increases for the coming year.

In other business the district agreed to pay \$5,000 to keep the county's Broadband Action Team in operation. Team leader this past year, Aaron Moss, has been accepted into the University of Oregon law school and funding, which had been through Land O Lakes and Tillamook Cheese, has run out. Moss has agreed to defer law school and stay on if the broadband team can find funding around the county to pay his salary for the coming year.

The Broadband Action Team is working with an engineering firm on an infrastructure design for high-speed internet to all residents, especially rural, in Morrow County. The team is working to fund the construction through upcoming federal broadband

grant dollars.

In other business the board approved a contract with Omaha, Nebraska company Skyline Med Staff, LLC to provide licensed health care professionals to the health district. Under the agreement the district will notify Skyline when it needs certain staff members. Skyline will then find and prescreen applicants to refer to the district for possible employment. The board also agreed to a contract with Jogan Health, a Colorado company which will help the district fill its staffing needs.

In other action the board made the following staff appointments: Michael Neuman, MD – Radiology

Specialists of the Northwest, Piper Rooke, MD – Radiology Specialists of the Northwest, Justin Cameron, Physician Assistant – Morrow County Health District, Irrigon Medical Clinic. Privileges were given to Regina Lazinka, a speech, language pathology specialist for work at Pioneer Memorial Physical Therapy performing nasopharyngoscopy services (swallow studies).

In other business the district has purchased new furniture for Pioneer Memorial Hospital, and the board agreed to surplus out the following items: six bedside tables, eight nightstands and seven armoires.
