

# Stick Horse Race a fun family event

The Stick Horse Race at the Morrow County Rodeo has become an iconic event that captures the hearts of both young cowboys and cowgirls, as well as their enthusiastic families. With overexcitement in the air, spectators eagerly anticipate the thrilling display of rearing, spinning, and lightning-fast dashes to the finish line.

Divided into three age groups, the Stick Horse Race caters to

children aged seven and under. The age of the participants on the rodeo date determines which group they will compete in. Registration for this exhilarating race takes place near the handicap seating area, and it is worth noting that residency in Morrow County is not a requirement for entry.

Riders have the option to bring their own trusty steed or select a spirited bronco from

the Oregon Trail Pro Rodeo remuda, awaiting them at the starting line. Regardless of their choice, every child taking part in the race will receive a well-deserved medal and a tasty snack. However, the true champions of each age group, the fastest horses who claim first, second, and third place, will be rewarded with impressive trophies.

The Stick Horse Race at the Morrow County Rodeo promises

to be an unforgettable experience for all involved. So saddle up, young riders, and prepare for an

exhilarating race that will leave you with a sense of accomplishment and a lasting connection to the rich heritage of the rodeo.
