

# Cowboy Joe and his talking horse Daisy add fun to the fair

Daisy has a chat with the kids at the fair

Alright, folks, listen up. The Morrow County Fair will be exciting again this year, thanks to the incredible duo of Cowboy Joe Stoddard and his sensational sidekick, Daisy the Talking Horse. Get ready to have your socks knocked off and your jaw dropped, because these two will be walking the fair to entertain you.

Now, picture this: you're strolling through the fairgrounds, snacks in hand, when you hear a commotion off in the distance. Curiosity piqued, you follow the sound and find yourself in front of a crowd of people, all gathered around a horse. But this ain't no ordinary horse, my friends, this is Daisy, the talking horse.

nowhere, Daisy starts talking. That's right, folks, this horse can carry on a conversation like nobody's business, right here at our very own fair.

And here's the best part, my friends, Cowboy Joe and Daisy are putting on two shows every single day of the fair. That's right, you'll have plenty of chances to catch these two in action. So, whether you're an adult looking for some good ol' entertainment or a kid in search of something truly magical, Cowboy Joe and Daisy have got you covered.

And let me tell you, folks, the kids are gonna go wild for Daisy. Her charm and charisma are simply irresistible to the little ones. They'll be wide-eyed and giggling as they watch this extraordinary horse carry on conversations the kids won't be able to get enough of.
