

# After the rodeo, dance to Dan Burns

The Dan Burns 3D Productions Experience will be providing music and entertainment at the Spur 'Em Barn on Friday and Saturday nights after the rodeo. Kick up your heels with the spectacular sound, lighting, extreme lasers, special effects and videos provided by Dan Burns 3D Productions while dancing at the Spur 'Em Barn waterin' hole.

Get ready to put on your dancing shoes, because Dan Burns has just upgraded the dance floor at the Oregon Trail Pro Rodeo. No longer will you have to shuffle your feet on gravel while enjoying Dan's DJ skills at the rodeo's beer garden. You can now boogie the night away on the rodeo's new, permanent concrete dance floor.

The installation of this fantastic addition has been the talk of the town lately. Located near the beer garden, the large dance floor is set to become a hot spot for rodeo enthusiasts and dance lovers alike. After the thrilling rodeo performances, the sound of popular dance tunes will now be accompanied by the rhythmic stomping of cowboy boots on this state-of-the-art floor.

If you're curious about this new outdoor venue, with plenty

of space and adjacent to the Mustang football field, you can contact the fair office for more information. They'll be happy to provide you with details about the covered area of the rustic cowboy beer garden as well.

So, mark your calendars and get ready to dance your heart out

at the Oregon Trail Pro Rodeo. With Dan Burns spinning the tunes and the new dance floor beckoning you to let loose, it's guaranteed to be a night full of fun and unforgettable memories. Don't miss out on this exciting opportunity to show off your moves and enjoy the lively atmosphere of the rodeo.
