Morrow County Health District Strategic Priorities 2023 - 2025

Financial Sustainability

Objective

Keep financial sustainability at the forefront for leadership and the board of directors throughout the strategic plan period. The plan includes significant growth, which will better provide for the healthcare needs of Morrow County, but which must always be considered through the lens of financial responsibility.

Service Excellence

Objective

Become the provider and employer of choice by intentionally focusing on improving patient satisfaction and employee engagement scores.

Boardman Immediate Care Expansion

Objective

Remodel MCHD's building in Boardman, Oregon to house Boardman Immediate Care. The expansion will include four exam rooms with offices for providers and administrative staff.

Adult Care Home

Objective

Open a 5-bed adult care home in Boardman, Oregon for seniors and people with disabilities.

CPR & First Aid Training

Objective

Offer regular CPR and First Aid training to the community in partnership with other local entities.

Community Partnerships

Objective

Focus on enhancing partnerships with local entities through participation in local groups and initiatives such as the Morrow County Community Health Improvement Partnership.

Irrigon Ambulance Hall

Objective

Partnering with Irrigon Rural Fire Protection District to work on a new multi-use Fire & Ambulance Hall.

Occupational Medicine Services

Objective

Expand the array of occupational medicine services available at all outpatient District locations.

Molalla Drill Team to Perform at OTPR

The Molalla Drill Team will perform at the OTPR

The Molalla Drill Team will be performing during the OTPR rodeos on Friday and Saturday nights during the 2023 Morrow County Fair. The team started up about six years ago and is headed up by captains Cadie Blackman, Roxy Leis and Barbara Hartman. "We love rodeo and drill, we love helping out the communities and believe rodeo should be shared and passed down to our new generations," Blackman noted.

The drill team is a family based team and includes several mother/daughter pairs. Most of the team members have been riding with the group for more than three years.

Molalla Drill Team will also be seen performing in the parade on Saturday and will be carrying the sponsor flags. The ladies will be found helping out wherever and whenever they are needed when they are not performing. "We believe in rodeo and what it brings to us and the communities. We love helping out and making sure the team is the best it can be," continued Blackman.
