 - 11:00 AM vs. Riverside - Non-League
 - 1:00 PM vs. Riverside - Non-League

Orwick accepting donations for MS foundation

Multiple Sclerosis (MS) is an unpredictable, often disabling disease of the central nervous system that disrupts the flow of information within the brain and between the brain and body. This year we are raising money for the MS Foundation. This group is based in Florida. They paid for lunch for the Tri-County MS Support Group until COVID-19 hit the world. The Foundation has helped myself Barb Orwick, and others by paying for physical training, medical equipment, and peer support.

To raise funds for the MS Foundation, I have set an ambitious goal, of \$4,000. I know with support from people like you, we will have a great chance at reaching it. The money raised will drive groundbreaking research, provide life-changing programs, and guarantee a supportive community for those who are affected by MS. The Foundation grants funds for emergency personal needs, community, and business needs. MS Focus can also help pay for respite care, light housekeeping, and shopping. Their focus is also to promote support groups like ours.

You can donate to help those who have MS fight this disease! Mail me a check to, Barb Orwick at 625 SE Hager St., Heppner, OR. 97836 or message me on Facebook, Barb Orwick. Since this is a different organization from previous years, please make checks payable to MS Foundation, MS Focus, or MSF. I will be mailing these checks to MS Focus at the end of April.

I urge you to join us in walking the MS Walk on April 20th at Hager Park in Heppner at 10 a.m. There will be picture stops along the way. We will stop for pictures in the City Park by the library. Then we will continue to Bucknam's Tavern for a no-host brunch.

Thank you in advance for your support.
