

**PUBLIC NOTICE**

ment period and a public hearing, with opportunities for in-person and remote participation. Public Hearing: EFSC will hold a public hearing on the DPO on May 30, 2024 which will provide opportunities for in person and remote participation. See in person meeting details and Webex login information on Page 1 of this notice for more details. The hearings will be conducted by EFSC. During the hearing there will first be a brief overview by ODOE on the siting process and proposed facility, followed by an overview of the hearing format provided by the presiding officer and followed by an opportunity to provide oral comments on the ASC and the DPO. To raise an issue on the record of the DPO public hearing, a person must raise an issue either in person at the public hearing, or in a written comment submitted after the date of this notice and received by ODOE before the record closes on June 7, 2024 at 5:00 p.m. Pacific, unless extended by Council. A person's failure to raise an issue in person or in writing prior to the close of the record, with sufficient specificity to afford the decision maker an opportunity to respond to the issue, will preclude consideration of the issue, by the Council or by a court on judicial review of the Council's decision. Failure to raise an issue in person or in writing prior to the close of the record with sufficient specificity to afford the decision maker (Council), the Department and the certificate holder an opportunity to respond to the issue precludes the Council from considering whether that issue justifies a contested case proceeding. To raise an issue with sufficient specificity, a person must present facts that support the person's position on the issue. Written or oral comments may be hand-delivered, submitted verbally via Webinar/tele-

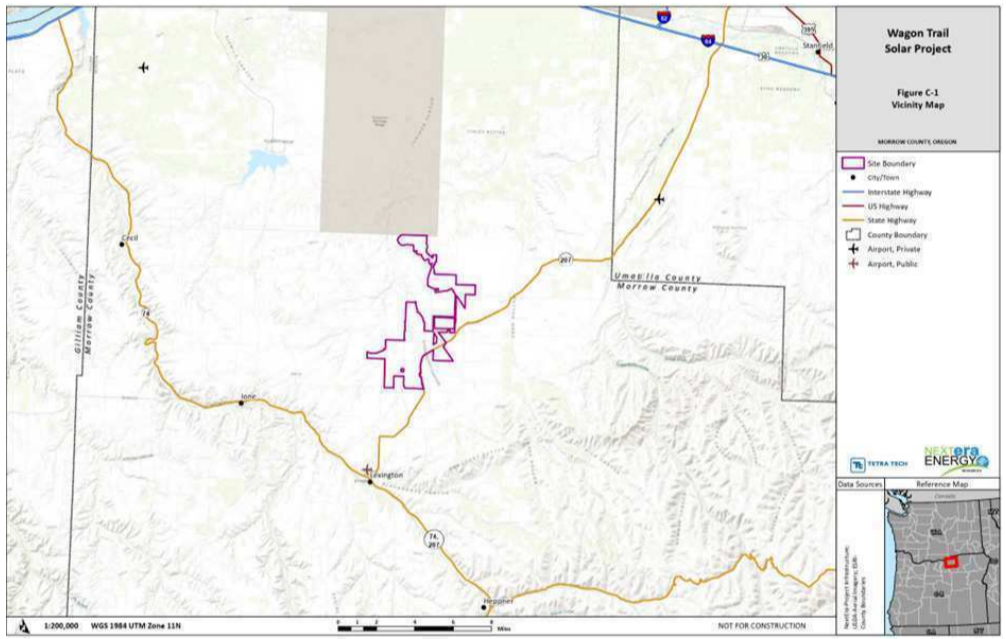

conference or in-person at the public hearing, or via electronic methods previously described. In order to be included on the record of the public hearing written comments must be received by the comment deadline of 5:00 p.m. PT on June 7, 2024, unless otherwise extended by Council, submitted at the hearing, through the public comment portal described below or by mail, email or fax to the presiding officer/hearing officer, in care of: Chase McVeigh-Walker, Senior Siting Analyst Oregon Department of Energy 550 Capital Street NE Salem, OR 97301 Phone: 971-600-5323 Fax: 503-373-7806 E m a i l : C h a s e . M C V E I G H - W A L K E R @ e n e r g y . o r e g o n . g o v EFSC will not accept or consider any further public comments on the ASC or on the DPO after June 7, 2024, which represents the close of the record on the DPO for the proposed facility, unless the comment deadline is extended. Online Comment Portal ODOE has an online portal for submitting comments on projects during an active comment period. The goal of the online comment portal is to provide members of the public with a convenient option to submit input on projects, and to provide additional resources that will enable meaningful participation in the Site Certificate Application process. The por-

tal can be accessed via the link below: <https://odoe.powerappsportals.us/SitingPublicComment/> To get started, choose the Wagon Trail Solar Project from the drop-down menu. Click "Next" and follow the instructions on screen. You will receive an email confirmation after submitting your comment. ODOE also has a docket system available which displays comments that have been submitted. Comments for this project will be posted to the docket and will normally be available to view within 3 business days of receipt. The docket can be accessed via the following link: <https://odoe.powerappsportals.us/en-US/sitingdocket/> Please note: All comments submitted to ODOE may be disclosed to the public, subject to Oregon Public Records Laws (ORS Chapter 192). Public comments may be available on the ODOE webpage for the Wagon Trail Solar Project as an attachment to the Proposed Order, to be issued at a later date. Comment submission does not register your contact information to receive future electronic notices. If you would like to receive notices for this proposed facility or any other EFSC facility, and have not already done so, please follow the information in this notice to subscribe to the ClickDimensions email notification list as de-

scribed below. Council Review of the Draft Proposed Order: Following the close of the record of the public hearing on the DPO, and during a Council meeting, EFSC will review the DPO, comments received on the record of the DPO and provide any comments they have to ODOE. Proposed Order: ODOE will evaluate the comments received on the record of the DPO as well as those by EFSC, and make any necessary changes to findings of fact, conclusions of law and conditions. These will be reflected in the Proposed Order, ODOE's second evaluation of the proposed facility. Contested Case: Along with the issuance of the Proposed Order, ODOE will issue a notice of Contested Case. To be eligible to participate in a Contested Case proceeding, a person must raise an issue either in person at the public hearing or in a written comment submitted between May 7, 2024 and June 7, 2024 the date the record closes, unless extended. Even if a person commented before May 7, 2024, that person must raise an issue(s), either via oral comment at the public hearing or in writing during the comment period to be eligible to participate in the Contested Case. Failure to raise an issue in person or in writing prior to the close of the record of the public hearing with sufficient specificity to afford the decision mak-

er (EFSC), an opportunity to respond to the issue precludes consideration of the issue in a contested case. To raise an issue with sufficient specificity, a person must present facts that support the person's position on the issue. See OAR 345-015-0016(3). The Siting Division Public Guide contains information on the EFSC process, including the contested case process. To view this information on ODOE's website, please use the following link: <https://www.oregon.gov/energy/facilities-safety/facilities/Documents/Fact-Sheets/EFSC-Public-Guide.pdf> For more information relating to EFSC standards, please visit: <http://www.oregon.gov/energy/facilities-safety/facilities/Pages/Siting-Standards.aspx> Final Order: Following the Contested Case proceeding, EFSC will issue a Final Order either approving or rejecting the ASC. If approved, a Site Certificate will also be issued. Receipt of this Notice: Please note that you may be receiving this notice for multiple reasons: You own property within or adjacent to (within 500 feet) the property boundary on which the proposed facility would be located. You will automatically receive all future EFSC notices for this proposed facility. You have previously signed up via ClickDimensions to receive email notices related to the Wagon Trail Solar Project or all EFSC project-related notices. You will automatically receive all future email notices per your request, unless you unsubscribe via ClickDimensions or by contacting ODOE. Additional Information: Additional information about the proposed facility and updates on the review process is available using any of the following options. Oregon Department of Energy's webpage: The ASC, DPO and additional details regarding the proposed facility may be found at: <https://www.oregon.gov/energy/facilities-safety/facilities/Pages/WTS.aspx> to review and access free of charge. Additional resources to help you participate in the state siting process can be found at: <http://www.oregon.gov/energy/facilities-safety/facilities/pages/default.aspx> <https://www.oregon.gov/energy/facilities-safety/facilities/Pages/Fact-Sheets.aspx> Updates by email/mail: Subscribe to ClickDimensions, a self-managed, automated email system that sends notices and updates on the Wagon Trail Solar Project as well as any or all other energy facilities and events under EFSC jurisdiction. For more information, please visit: <https://tinyurl.com/ODOE-EFSC>. To receive notices by U.S. Mail, please contact Chase McVeigh-Walker (see contact information provided above). In hardcopy: Hard copies of the ASC and DPO are available for public inspection at the following locations at no cost: Oregon Department of Energy 550 Capitol Street NE Salem, OR 97301 Please contact Chase McVeigh-Walker to arrange viewing of hard copies of the ASC and DPO; hard copies will be provided at reasonable cost upon request to ODOE. Accessibility information: ODOE is committed to accommodating people with disabilities. For the review of the ASC or attendance at the information meeting, if you require any special physical or language accommodations, or need information in an alternate format, please contact Nancy Hatch at 503-428-7905, toll-free in Oregon at 800-221-8035, or email to [nancy.hatch@energy.oregon.gov](mailto:nancy.hatch@energy.oregon.gov). For any other accommodation needed to attend the public hearing, please contact ODOE as soon as possible so we may provide the accommodation. Published May 8, 2024 affid 1c
