Community Awards:

Rick Johnston was recognized for his dedication to Heppner youth sports.

His unwavering support as a coach and volunteer has been instrumental in the athletic and personal growth of countless young individuals.

Recognition for such commitment is well-deserved, as it highlights the importance of community figures who invest their time and energy to positive youth development.

Greg Grant has shown his dedication to Heppner High School's athletic program, with a tenure spanning over two decades.

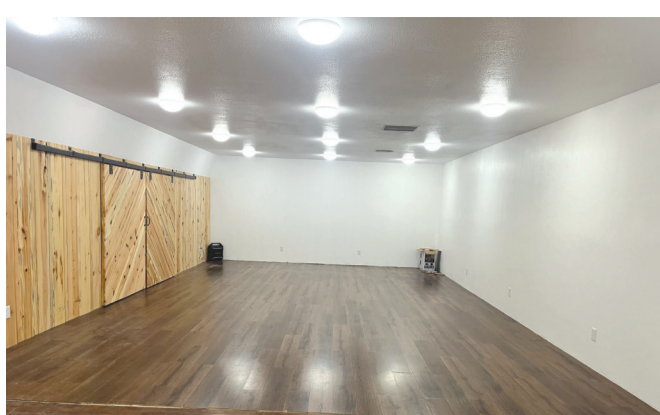

His role as the athletic director for the last 25 years has been marked by significant achievements and contributions.

His leadership has not only shaped the school's sports culture but has also enriched the lives of countless student-athletes, instilling in them values of showing up, timeliness, effort, and accountability.

This recognition marks his continued commitment and positive impact he has had on the community.

Nicol remodels bowling alley

Schatzi's Mane Attraction - Photo by Torri Nicol

Mane Attraction," and a saddle shop.

For Tori, the salon has become her "little home away from home," a place where she can express her passion for cosmetology.

Tori graduated from cosmetology school in April 2018 and opened her salon, lovingly named "Schatzi's Main Attraction," in February 2019.

Her journey finally culminated on June 1st, 2024, when she officially purchased the building that had given her salon a unique space to thrive.

The building itself has undergone numerous updates, reflecting Tori's dedication to keeping up with modern trends.

It now features new tanning rooms, a dance studio, and additional storage space for now.

Further improvements are expected for the back of the building, although details of those enhancements will be revealed at a later time.

Currently, the focus is primarily on updating the front of the building. Plans for this summer include painting and other aesthetic renovations to enhance its exterior appeal.

Once the salon is fully renovated and she has moved into the other part of the building, Tori intends to give the current salon space to her mother as a token of appreciation for all she has done and her unwavering support.

Receiving support from the local community, Tori was able to secure a business enhancement grant from WICVEDG, which provided funds to remodel

the building. Additionally, the Greater Eastern Oregon Development Corporation helped finance Tori's purchase, allowing her dream of owning her own salon building to become a reality.

Tori's faith is also an integral part of her life and work, as she credits God for being a guiding force in everything she does.

One notable addition to Tori's building is the new dance studio, which now serves as the home for Paige Council's "Element Dance Company."

Previously located on Main Street in the Sage Garden Preschool, Paige expressed her gratitude for the support of the community saying "I couldn't be more grateful for this community. To be able to do something I'm super passionate about with such welcoming and loving support system has been the biggest blessing! A big thank you to Tori Nicol for helping me get my own space and being just as excited about my goals. I can't wait to keep growing, very excited to see where the future takes Element Dance Company."

With Tori Nicol's new building and remodel well underway, it is clear that her dedication and passion for her salon have now found a permanent home.

As she continues to serve the Heppner community, Tori's own journey is intertwined with the building's rich history, reflecting the vibrant spirit of entrepreneurship and community support that drives her forward.
