## CARD OF THANKS

We would like to thank the Heppner Chamber, and all the people involved in our business, Gar Aviation, being honored as business of the year. Kelly and I have been in business for 39 years owing our success to the farming communities of Morrow, Gilliam, and Umatilla counties who reliably supported us year after year. We attended school in Heppner, married in Heppner, raised our children within the confines of Morrow County which gave them much confidence to enter the outside world confident and successful as they entered adulthood. Even now as we enter the final stages of our business timeline there is recognition that none of our evolution would have been possible without the countless contributions and volunteer support of people who contributed to making our business, family, and community life possible. Most respectfully, John and Kelly Boyer
