

GRESHAM SCHOOL NOTES

Melvin Sunday was absent from school Monday.

The senior class had a test in English Tuesday.

The seniors have begun in earnest on their play.

Lucy Peterson is coming down with the measles.

The fourth grade has had no tardies this month.

Grace Fieldhouse is kept out of school on account of sickness.

Bert Hoss is still absent from school on account of illness.

Ray Metzger has been absent from school for the last few days.

About 15 children are absent from the first grade on account of sickness.

Just now the juniors think they have good cause to spend their leisure time on geometry.

The Junior English work at present consists of the study of the life and works of Robert Burns.

Earl, Georgia and Frank Hamlin are detained at home this week on account of measles in their families.

Roy Johnson, a student, made a very commendable report in the high school room yesterday morning, selecting as a subject Mark Twain.

The juniors are looking forward with happiness to the time when Lena Wright's recovery will permit both Lena and Geneva to return to school.

The junior class extends its best regards to the seniors in their approaching drama and will be there and will rally once more around that junior pennant.

An interesting report upon the life of Harriet Beecher Stowe and her well-known work Uncle Tom's Cabin was given by Ethel Wilkinson Tuesday morning in assembly.

The sophomores are studying "The Tale of Two Cities" by Dickens. They are making rapid progress in their rhetoric in order that they may soon take up the Merchant of Venice.

There will be a meeting of the High School Athletic association this (Friday) afternoon to arrange for a high school baseball team. Kenneth Roberts is president, Bert Hoss secretary and treasurer.

The fifth and sixth grades have already been disturbed by a few cases of tardiness this month and not as many names are expected to appear on this month's honor roll as they would like to see.

The Outlook subscription list is constantly growing. The publication of a twice-a-week all home print newspaper is no small undertaking. It takes a little while to get the machinery to running smoothly and regularly. The Outlook is after all the lew and is making an effort to get it. Please call our attention to anything we might overlook. The invitation to call and see our plant is a standing invitation. We appreciate the large advertising patronage we are getting. These are all up-to-date people who want our business and ought to have it. Some have reported that they are getting good returns on their advertising in The Outlook. If you are not yet a subscriber give us your name for a few trial copies.
