The first baseball game of the season in Estacada was played Sunday afternoon between the O. R. & N. team of Portland and the local team. The game was not called until after 2 o'clock but before that time the local fans and those accompanying the Portland team had crowded the grounds. Much interest in the game is taken in Estacada and the plays were watched closely from start to finish. The teams showed that they have the material for a better game but lack of practice made it appear to the outsider somewhat "amateur." The score was 10 to 7 in favor of Estacada. This is only a starter and the boys will make an effort to become recognized among the clubs of this part of the state.

Friday night the River Mill basket ball club played a game with the Estacada men's basket ball team. The hall was well filled and the audience manifested their appreciation of the game with loud applause. The Estacada club won by a small score.

Oregon is getting its full share of the colonists who are crowding the westbound trains. A telegram from Louis W. Hill, president of the Great Northern, to Manager Chapman of the Commercial Club, bore the information that over one-third of the passengers on the Oriental limited one day from the Twin cities were bound for Oregon. This ratio is probably true of practically all of the colonists trains coming to the West.

Instead of the usual foolishness that attends April 1, one Oregon town is going to accomplish something useful. Gaston, under the direction of the Woman's auxiliary of the Commercial Club, will clean house that day. Everybody will join in and it will be known as the clean up day.
