

Home, Sweet Home

The way to a man's heart is through his stomach, as has been said.

The way to a woman's heart is through the Round Oak Range. Her kitchen utensils are her heart's pride. This assists her in getting to the heart of her husband.

Every man wants to please his wife and to do so he will have to come to Carlson's and show her—"The pride of her life"—a Round Oak Range.

The salesman will be on hand to demonstrate the superior qualities of the Range. The stock is complete and the demonstrator is an experienced man. Come in and learn something about stoves.

The property is located in the northern part of town. A few lots were sold by the Smith Land company and then enterprising Portlanders represented by the Northern Trust company, bought up four blocks of lots and all are platted acres. They expect to put it on the market and encourage building.
