

Home, Sweet Home

The way to a man's heart is through his stomach, as has been said.

The way to a woman's heart is through the Round Oak Range. Her kitchen utensils are her heart's pride. This assists her in getting to the heart of her husband.

Every man wants to please his wife and to do so he will have to come to Carlson's and show her—"The pride of her life"—a Round Oak Range.

The salesman will be on hand to demonstrate the superior qualities of the Range. The stock is complete and the demonstrator is an experienced man. Come in and learn something about stoves.
