### CLACKAMAS COUNTY NEWS.

mittees visited the Oregon City  
schools Friday according to a cus-  
tom established twenty years ago.  
They were enthusiastically received.  
Memorial and Decoration days will  
be appropriately observed in that  
city. On the latter day an address  
will be given by S. B. Ormsby.

the guest last week of Mr. and Mrs.  
Chas. Parker of Oregon City.

o'clock the residents living on

that street had gone down into the  
yard of Mrs. Richards, taking with  
it large boulders and dirt. It will  
require some time to repair this. A  
wall of rocks had been constructed,  
and it was thought this would be a  
support for the new roadway which  
is being built.

### West Will Show the East.

Portland, Ore., May 23 (Special)  
—Representing ten western states,  
the executive committee of the West-  
ern Development League met at the  
Commercial club during the past  
week and mapped out a plan that  
promises to be of great benefit to  
the whole West. The purpose is  
to attract people from the crowded  
East to vacant lands of the West  
where there is room for millions  
to build happy homes.

The big drawing card proposed  
by the League is a special train of  
exhibit cars that will tour the East  
next fall and will give the people of  
that part of the country an object  
lesson of the opportunities to be  
found here. In this movement the  
commercial bodies, railroads, state  
officials and the Panama-Pacific  
exposition will co-operate and share  
the expense. Prominent westerners  
will accompany the train and they  
plan to call on governors of the  
states visited and other leading men,  
interesting them in the campaign,  
which will be of such a magnitude  
as to be free from any selfish  
boosting by any narrow section.

At least five cars of exhibits will  
be taken along, showing the prod-  
ucts of the West in a compre-  
hensive fashion. This will be the big-  
gest showing ever attempted along  
this line and is certain to attract  
much attention. The exhibits will  
later be placed at the Eastern land  
show during the winter.

Mining men completed the organ-  
ization of the Oregon Chapter of the  
American Mining congress in Port-  
land during the past week, the  
whole state being well represented.  
Steps were taken at the convention  
to put the industry on a better  
basis and considerable benefit to all  
engaged in the development of the  
state's mineral resources will re-  
sult.
