The O. W. P. railroad has three men on the Gresham sub-station working, each taking an eight hour shift. Irvin Dodge will probably be the new man and Lee Merrill and Chas. Reed will continue.

Judge Cleaton and County Commissioners Lightner and Hart spent Friday on a tour of inspection over the roads of the county and at the new poor farm near Troutdale. The officials were accompanied by Edward C. Judd, judge, and John Frye, commissioner of Clatsop county.

We look for great improvements the coming season on the part of the O. W. P. railroad in this vicinity. Lee Merrill began it Friday by scrubbing out the office. We presume the waiting room will come in for a good cleaning soon.
