IN THINE OWN HEART.

Though Christ a thousand times
In Bethlehem be born,
If He's not born in thee
Thy soul is still forlorn.

The cross on Golgotha
Will never save thy soul;
The cross in thine own heart,
Alone can make thee whole.

We have noted at times the accounts of excessively hot days and weeks in Oklahoma, Kansas, Nebraska and other Mississippi valley states. Hot winds have destroyed the already drouth-stricken crops in many sections. Even Minnesota has suffered considerable, the present month thus far being one of the hottest and driest Junes ever known. Farmers in many sections are feeding their stock, pastures being entirely dried up. Occasional rains in small localities have been mentioned but there is no doubt but that a large section of the Mississippi valley is suffering severely from lack of moisture and later reports will develop a crop shortage in many localities.

Classification of the various entries in the annual exhibition of the Oregon Sweet Pea society, to be held on the second floor of the Selling building tomorrow, has been made by a committee, and the prizes to be awarded in the several events have been announced. Thirteen classes have been made—one for commercial growers, one for florists, nine for amateurs and two for juveniles. Seed houses in various parts of the country and business men of Portland have contributed prizes.

The Outlook has made special arrangements so it can offer the best inducements possible to persons who wish to take both city daily and the paper.
