The best of us seem to be always in quest

Of something that's novel and new  
 And the things we are sure we can  
 Always do best

Are the things that we don't have  
 To do.

—S. Scott Stimson.

"Throw out the Life-Line across  
 the dark wave,  
 There is a brother whom some  
 one should save;

Somebody's brother! oh, who, then,  
 will dare  
 To throw out the Life-Line, his  
 peril to share?"
