

NEW BRICK BUILDING

Work has begun on the new building to be erected by Archie Meyers between First and Powell streets. The building will be 57 feet wide on Powell street, 32 feet wide on First street and extend across the block just west of the present brick buildings on Powell, Main and First streets. There will be a cement basement, the excavation for which has been begun by J. H. Hoss, and on this basement will be a two-story brick structure.

We understand that the First State Bank will use a part of this for a vault and additional banking room, but the larger part will be, or has already been, rented. This structure when completed will add much to the substantial appearance that Gresham is fast taking on.

Obituary of Mrs. S. G. Roper

Leona Bushong was born in Mahasky county, Iowa, February 25, 1870, and died at her home at Houlton, Oregon, Monday, August 28, 1911. She was married to Rev. S. G. Roper, July 9, 1890 at Denver, Colorado. To them was born one child, Stella. They lived in Denver years, in Salt Lake City, five years and came to Portland six years ago. About three and a half years ago Rev. and Mrs. Roper came to Gresham and served pastoral of the Free Methodist church here until about one year ago when they moved to Houlton where death came to this faithful christian worker.

Mrs. Roper was a very devoted christian with a wonderfully clear and helpful experience. She worked side by side with her husband in his church and pastoral labors. Many there are who felt the uplifting influence of her testimonies and prayers, and many will rise up and call her memory blessed. While greatly beloved everywhere she had been, it is doubted if she could have had anywhere more warm friends than at Gresham and this being the home of her sister, Mrs. J. O. Hopper, it was fitting that burial should be made at this place.

Funeral services were held at Houlton Wednesday forenoon. Rev. W. N. Coffee, district elder, preached the sermon. His text was, "We all do fade as a leaf." The service was well attended and very impressive. Out of respect to the deceased the saloons of Houlton closed during the funeral. The remains were brought to Gresham and services were held at the grave in the afternoon in charge of Rev. H. Creider of Damascus.

Mrs. Roper had not been well for some time but her last serious illness was of short duration. She died a peaceful and triumphant death.

Those who survive her are her husband and daughter Stella and the following brothers and sisters: Jas. Bushong of Portland, Oregon; Mrs. Emma Hopper of Gresham, Oregon; Mrs. Ida Hinshaw of Greenleaf, Idaho; Mrs. Martha Hendrick of Trinidad, Colorado; Mrs. Livona Bailey, Mrs. Roper's twin sister of Oxford, Neb.; Mrs. Jennie James of Richland, Iowa; Mrs. Eva Priest of Fremont, Iowa; Mrs. Cora Whetzell of Yale, Oklahoma. These mourn the loss of the loved one who has been translated to the beautiful home on high.

PRETTY AS A PEACH

Next Monday will be a red letter day in Gresham, when the Mt. Hood railway opens up for business, its new depot which is a strictly modern and finely finished two-story structure designed for not only regular agents' quarters, waiting rooms, etc., but will contain dispatcher's quarters also.

Monday will be opening day. The depot will first be open for business Sunday and the public is especially invited to visit on either of these days and inspect the building.

A. H. Wheeler, draughtsman with the Mt. Hood road, was in town Wednesday and took a picture of the new depot, a cut of which will appear in next issue. Mr. Wheeler designed the pretty depot at Gresham and the others along the line. G. R. Gray of Portland has been head carpenter on the depot.

A. F. Miller was in Sandy and vicinity Wednesday interviewing farmers and securing the best exhibits of fruits and vegetables that fine section can afford for the Grange fair at Gresham. He met with much encouragement. As the people of Sandy are not to have a fair they will take a large interest in the Multnomah county fair.

MANY DOINGS AT FAIRVIEW

A very enthusiastic meeting of the Fairview Civic Improvement club was held Monday evening. The by laws and constitution with a few minor changes were adopted. The regular meetings will be held the first and third Monday evenings of each month. The president appointed Ivan Province, Cedric Stone and Mrs. D. W. McKay as publicity committee. Mrs. McKay, Mrs. Wilcox and Mrs. Cornett as finance committee. Miss Ivy Cornett, Cedric Stone and Otto Staub as membership committee. Otto Staub was selected as sergeant of arms for the club.

The road from Fairview to Columbia river was taken up for action as we have had numerous promises from county commissioners along at election time that said road would be opened, but as yet nothing has been done and as this road is a vital artery to Fairview, steps will be taken to have these promises fulfilled if possible. R. W. Wilcox, mayor, E. A. Whitney and J. H. Schram were selected to wake up our county board and lay the matter before them again and in such a way that they will promise us once more. This is a very important road to eastern Multnomah and would be one of the heaviest traveled roads in the county, bringing dollars, hundreds of dollars, to Portland that is now spent in Vancouver Washington. We could then use the river for shipping facilities would permit of several new homes being built up, and would give Washougal and LaCamas an excellent outlet to Portland and would be used by pleasure seekers wishing to reach the sloughs and Columbia river. These gentlemen say they will use their utmost power to secure the opening of this road at once.

Our neighborhood with that of others will be almost depopulated for the next two or three weeks as a goodly number are going to the hop fields which provides a profitable outing for the women folk and children. Yet counting the time put in in the yard and the rushing nature of the work the compensation received is very small. But to the hop field for fun, so they say.
The Campbell, Wallin and Schram families returned from Trout creek last Monday evening after spending a couple of days catching the splendid beauties. They report good roads, splendid trip and creek full of fish. A huge bear passed through the edge of camp and a fine buck crossed the creek nearby. But having no license to kill bear is the excuse for not following brunt. J. P. Province and son have opened a real estate office in the Cree building. Ivan Province has received his commission as notary public and is now ready for business.
G. H. Zimmerman and family, who have been traveling through Yellowstone Park the past two months, have returned home.
Lillian Luscher, second daughter of Jack Luscher of Fairview, is seriously ill with small hopes of recovery.

PLACE IDEAL FOR PICNIC

The picnic excursion of the M. E. Sunday school yesterday was well attended by a good sized crowd. A special car was chartered from the Mt. Hood railway and the trip was made to Sandy River, leaving Gresham about 9 a. m. and returning about 6 p. m. The trip was made without accident of any kind and the scenery along the way was enjoyed immensely from the railroad companies "observation car." Those who do not avail themselves of a ride on these cars soon will miss a grand opportunity of seeing the country, as we understand that they will soon be substituted by common everyday coaches.

The view across the Sandy gorge is beautiful at this time of year and the road which is cut out of the side of the bluff following the course of the river is very crooked and will eventually be straightened at many points.

The day was spent very pleasantly by both the children and older people. A splendid dinner was served on an improvised table and plenty of ice cream for all, finished a very fine picnic dinner.

This excursion offered a good opportunity for those who had never been up the line to see the country. The day was an ideal picnic day and everyone expressed themselves as well pleased with the trip.

Several amateur photographers were among the crowd and took snap shots of the crowd and scenery which when developed will be of interest to all who attended.

The Ladies' Aid society of the M. E. church will give a chicken pie supper and a bazaar at the Grange hall, next Wednesday evening. They will begin serving supper at 5 o'clock. Many useful articles for sale.

ANSWER STATEMENTS

GRESHAM, OREGON, August 31, 1911—Editor Outlook—In answer to the statements made in the last issue of your paper charging the Latter Day Saints missionaries of going from door to door using indecent language and forcing their religion upon the people, also under the guise of Latter Day Saints advocating polygamy, are gross errors and have no foundation.

If reasonable proof can be brought to show that marriages have been performed by the so-called Mormons since September 30, 1890, Mr. V. S. Peet of Salt Lake City offers a reward of \$1,000 for each and every plural marriage since the time stated. Mr. Peet is not a Mormon; his rewards are fully guaranteed.

We are here to defend what we are teaching and will meet any charge brought against us. We feel to say to our christian friends who are so willing to tear down the character of their fellowmen, "Father forgive them for they know not what they do."
