Pleasant Home

Many people went to Gresham to attend the fair Sunday and to hear the Girls' band, which gave some excellent music. One little girl was only seven years old and several of them eight and nine. People who went on the Mt. Hood railway had to come back on the 2:30 train so did not get to hear the speaker.

The Mt. Hood offered to put on an extra train if guaranteed fifty passengers, but none wanted to secure the passengers. However, a work train went up at six in the evening on Thursday, Friday and Saturday, which was greatly appreciated.

Miss Minnie Shriner led Epworth League Sunday evening and gave a very interesting talk on "Why Christians Should Lead Exemplary Lives."

Samuel Bacon has installed new machinery on his chopping mill and now has it ready to chop feed for the farmers.

Mrs. Shipley was called to Oregon City Thursday and will probably be away several days. The Sunday school and church always misses her greatly when she is away.

Many of the farmers are bringing their cream and milk to the Pleasant Home station for shipment instead of Boring, and others are planning on changing. Some who sold their cream at the cream wagon once and twice a week get it each morning now as they get a better price for it when sweet.

Miss Helen Brower has returned from the hop fields where she had a most enjoyable outing. In spite of the rain she made \$20.

Little Harry Hagan of Bull Run is making his home with his grand-ma, Mrs. Samuel Bacon, this winter and is attending the Orient school. Thomas Taylor of Gresham has moved into his house he purchased here of Mrs. Stevens.

I. M. L. Shriner led prayer meeting Friday evening in the absence of Rev. A. B. Calder, who was attending conference. There was no preaching Sunday evening on that account, but Rev. Calder, or a new pastor will probably be here next Sunday morning.

Mr. Shipley's brother of Bull Run visited him Sunday.

The Northrup family and Miss Mil-music in the Cottrell church for dred Brower gave some very good young people's meeting Sunday evening.

Do you know that fully nine out of every ten cases of rheumatism are simply rheumatism of the muscles due to cold or damp, or chronic rheumatism, and require no internal treatment whatever? Apply Chamberlain's Liniment freely and see how quickly it gives relief. For sale by Gresham Drug Company and all Dealers.

Scenic

Everybody came home happy and satisfied from the Gresham fair.

Mr. Boyle and wife of Woodmere spent the week end with Ed. Lester's.

Alice Jack had a slight attack of pneumonia, but is improving nicely. Gus Carlson and wife visited with S. Olson's Sunday afternoon.

Chas. Hunter and wife of Portland were callers in Scenic recently.

Mr. Duncan and wife are spending a few days with friends at Sandy Ridge.

Mrs. John Lauderback visited her daughter Mrs. Lewis Miller last week.

H. G. Mullenhoff and B. C. Altman made a creditable showing at the fair and returned with many valuable prizes.

Miss Alice Stephens has returned from the round-up at Pendleton and is visiting her sister, Mrs. B. C. Altman.

Fairview

Miss Alta Wilcox is spending a few days with her sister, Mrs. E. C. Erickson, in Portland.

While W. T. Brooks and son, Harry, were going to Portland last Monday they were run into by W. A. Townsend's auto, one mile west of Rockwood, throwing the occupants out, but not hurting them, only jolting them up. The team ran away but became loose from the wagon, so slight damage was all that resulted to the team. The wagon had to be taken to the shop for repairs before they were able to proceed on their journey. There was no cause for the accident as there was plenty of room to pass and no warning was given of the machine's approach.

Mrs. E. Burlingame visited over Sunday with relatives at Vancouver, Washington.

Mr. and Mrs. J. W. Townsend, Mrs. M. C. Cornett and C. H. Stone attended Pamona Grange at Corbett on Wednesday.

Miss Glossup of Portland, a trained nurse, has been visiting Mrs. F. D. Axtell.

Thomas Bros. are putting the finishing touches on D. W. McKay's new residence, and Mr. McKay is preparing to move his family in next week.

Miss Nellie Fox and Miss Mary Isom were callers here on Thursday in the interest of the library.

A large tract of land lying south of Sandy road formerly known as the Union Meat Company's place is now being cleared, streets surveyed and cut up into lots for about five blocks south of the road where the lots will become acreage. Some 12 or 15 men are working assisting the engineers and clearing the land.

Rev. Mr. John has again been assigned to the work in the Methodist church here. He will preach in Rockwood and Troutdale, also.

Grandpa Jones is improving his cottage with a new porch in front.

Rev. Thomas Robinson is spending quite a little of his time at Corbett making arrangements for erecting a Presbyterian church at that place.

Burlingame is making an excavation on his 5-acre tract lately purchased from W. H. Mashburn and located on Sandy road east of town preparatory to moving on to it. His house was lately purchased from O. Kulper.

The infant son of Dan Ross of this place died Monday morning at 2:30 and was buried Wednesday in the Hall cemetery on the Base Line. The baby was about one month old. Funeral services were conducted by Rev. Mr. Robinson. Grandpa Ross' health was such that prevented his attendance at the funeral. Mr. and Mrs. Ross live in St. Johns.

Mrs. J. P. Province, who has been quite ill the past ten days, is now slowly recovering but yet is quite sick.

The school is crowded to such an extent that it will be necessary to install more seats to accommodate the pupils.

Work is being done on Curve Street First and Second and Cedar streets are now in very good condition. Depot street is the next thoroughfare to be improved.

Miss Robinson has returned home from a few weeks' stay with her sister at Gaston, Oregon.

Mrs. Robinson is spending a few days in Portland.

The usual club meeting will take place Monday evening and a full attendance is expected as some important business will come up for consideration. Hotel, reading room and electric lights are some of the features to be considered.

Mr. Jones is adding a substantial improvement to his cottage by building a large, commodious porch thereto.
