

NOW IS THE TIME

Think of that Sewing Machine you are about to buy. Come in and let us introduce to you

ZENITH SEWING MACHINE

This machine has a world-wide reputation and we frankly say that there is no other machine on the market today as strong, and yet as neat as the ZENITH. Furthermore, we guarantee it to do any thing that any other machine will do. Yes, it is superior to any of the so-called best grades and the woodwork is of Quarter Sawn Golden Oak, rubbed and polished. Why pay a big price for a merely good grade when you can get a **BETTER, STRONGER, NEATER, EASIER RUNNING MACHINE** for less money. We are here to stand back of every ZENITH that goes out of our store and if it does not excel any machine you have ever used just phone to us and we will gladly take it back and refund the money.
