Coming Apple Show will Attract Many Fine Exhibits.

One of the finest locations in Portland has been secured for the Oregon Apple show, Nov. 15-18. It will be housed in the new Yeon building, corner Fifth and Alder streets, and there is every indication that it will be a big success. The premium list has just been issued and is attracting a great deal of attention. Requests for space have come from far-away British Columbia and well known fruit sections of the Northwest will be represented quite generally. In addition to prizes offered for the most perfect apples, in almost any sized exhibit, is a special premium for 100-box lots, and another for 50-box lots, open to commercial organizations of fruit growers' unions in the Northwest. Cash amounting to \$500 is offered in the first class and \$275 in the second. The population of Canada, according to the recent census is 7,100,000. This is an increase in ten years of 1,728,685.

GRESHAM

The Portland Library association has placed the morning Oregonian and Sunday Oregonian in the Gresham reading room. We now have the daily Oregonian, Telegram, semi-weekly Outlook, weekly Beaver State Herald, all local papers.

Ned Reed has accepted a position with the Mt. Hood Railway & Power company in the power house at Bull Run.

Geo. W. Page has been appointed agent at Gresham to succeed J. M. Johnson. The latter has been transferred to St. Johns and will move there soon. Mr. Page was formerly chief clerk in the East side freight office of the P. R. L. & P. Co. He is a hustler for business and an all round good fellow.

Rev. F. H. Freund left yesterday for Seattle in the interest of Home missions.

Mr. Scott Aton is ill and confined to his bed again.

The small boy and a pumpkin patch near town seem to have a great attraction for each other. Look out for the dog.

The W. C. T. U. will meet at the Free Methodist church Thursday afternoon at 2:30. A good attendance of members and all interested in temperance work is requested.

Otto Magnussen, who had his finger split with a woodsaw last spring has found it necessary to have that member amputated as pieces of the bone kept coming out and making trouble. He has just returned from Canby where he has been visiting his parents.

Miss Magnussen, sister of Mrs. Thoren, has been assisting Mrs. Thoren in the care of her husband during his recent illness.

Oscar Thoren, who has been ill for about five weeks with typhoid fever, is much improved and hopes to be out again soon.

Mr. and Mrs. E. C. Lindsey spent Sunday and Monday with their daughter, Mrs. Oscar Erickson, at Warren, Oregon.

W. H. Mankin was in town yesterday looking after insurance for the Oregon Life. He is meeting with good success, he says, in this territory and he certainly has a proposition that appeals to every Oregonian especially.

Rev. A. B. Calder reports a splendid meeting at Melrose last Sunday. There was a good attendance at the quarterly meeting and the sermons by Dr. Jas. Moore were very helpful.

Mr. and Mrs. J. M. Cochran and daughter, Ruby Sheltren of Minneapolis arrived here last Saturday. Miss Ruby is visiting her sister, Miss Anna Posey, at Hotel Congdon, while Mr. and Mrs. Cochran are looking up a business location in Portland. Miss Posey is a daughter of Mrs. Cochran.

Geo. L. Carr, field secretary of the Prohibition party, was hustling in Gresham today. The party seems to be getting well organized and with the plan on which the committee is working should be able to make a respectable showing in future elections in this state.

The Queen Esther circle will entertain all friends of the home missionary work at the church, Friday evening, November 10th. A missionary thank offering will be taken and light refreshments served.

Mr. and Mrs. Ed. Sleret and Mr. and Mrs. J. W. Shattuck will start tomorrow for San Diego, Calif., where they expect to spend the winter. Mr. Sleret will ship his auto and doubtless make good use of it during the winter.

Southern Oregon's coast country has a unique sport found nowhere else in the state. This is hunting wild hogs, the season for which is now beginning. Curry county people go back into the hills some distance from the coast and shoot enough hogs to furnish a season's supply of bacon and hams. The hogs get fat in the fall of the year on acorns from oak trees in the Curry county forests. They run wild hogs are common property. The animals are fierce enough to furnish real sport for hunters.
