 "The Linotype  
 Way is the Way  
 that Wins."

Entered as second-class matter  
 March 3, 1911, at the post office at  
 Gresham, Oregon, under the act of  
 March 3, 1879.

A society has just been organized  
 for the purpose of bringing about a  
 better distribution of immigrants to  
 various parts of the country. The  
 country needs farmers more than it  
 needs unskilled labor in the cities.

Canada will expend a hundred  
 million dollars on railroad lines dur-  
 ing the next few months. Most of  
 this vast sum will be spent in the  
 West, tapping new territory and  
 improving terminal facilities.

B. D. Sigler has served this coun-  
 ty as county assessor for several  
 years and has given the taxpayers  
 satisfactory services. The Outlook  
 believes he ought to be retained and  
 hopes to see him nominated and  
 elected.

Just nineteen years ago Mr.  
 Gladstone presented his plan for  
 home rule in Ireland. It passed in  
 the House of Commons but was over-  
 whelmingly defeated in the  
 House of Lords. No attempt has  
 been made to present such a mea-  
 sure since then until the present.  
 Premier Asquith will present his  
 Irish home rule bill. As the Lords  
 have not as much power as former-  
 ly it is expected the measure will  
 this time be adopted.

The ladies of the state W. C. T.  
 U. are sending a call to the women  
 of Oregon to prepare for the visit  
 of the delegates to the National  
 convention to be held in Portland,  
 October 19-25. Through the repre-  
 sentatives of the local lodge the  
 Commercial clubs will be asked to  
 advertise their localities at the head-  
 quarters of the convention by the  
 distribution of literature. It is ex-  
 pected that not fewer than 3,000  
 visitors will come to Oregon on this  
 occasion.

The rank and file of the farmers  
 of the country have not yet real-  
 ized the fact that the apple crop is  
 just as much deserving their atten-  
 tion as corn or wheat or potatoes.  
 Whenever they are ready to work  
 for it systematically they will find  
 much greater profit in this line  
 than in any they are now following.  
 Fruit will not become plentiful  
 enough for many years to material-  
 ly lower the market for first-class  
 goods. Consumers are increasing,  
 and there would still be a wide mar-  
 get than at present.—Selected.

A manufacturers' exposition of  
 "Made in Oregon" goods will be  
 held in Albany, the date to be an-  
 nounced later, and a committee of  
 the Albany Commercial club has  
 been appointed to work out the  
 details as every community in Ore-  
 gon will be asked to send exhibits.  
 The state-wide "Made in Oregon"  
 campaign was given additional en-  
 thusiasm by a rally at Oregon City  
 on the evening of March 15 at the  
 Commercial club. The "Oregon  
 First Consumers' League was organ-  
 ized.

Oregon enjoys the distinction of  
 possessing the most beautiful site  
 possible to any state for its build-  
 ing on the grounds of the Panama-  
 Pacific International exposition at  
 San Francisco. The flag of the Ore-  
 gon was raised by Governor West  
 at the site-choosing ceremonies held  
 Thursday afternoon, March 14. It  
 was flung upon the 30 foot Oregon  
 pole contributed by Portland. The  
 site was selected by Julius L. Meier  
 of Portland, L. M. Travis of Eugene  
 and F. N. Bodisenn of Baker, Ore-  
 gon's Commissioners and the deed  
 to the same was presented to Gov-  
 ernor West. The day was a perfect  
 one and the ceremonies witnessed  
 by thirty Oregonians who had jour-  
 neyed there on the "Oregon First"  
 excursion for that special event  
 aroused the spectators to a high  
 pitch of patriotic enthusiasm.

**Milk Records for Sale.**  
 The Outlook has on hand a stock  
 of milk records that should be used  
 by every dairyman. These are ar-  
 ranged to keep a record for 16  
 cows 30 days and will be found very  
 convenient and cheap. Price by  
 mail 10 or less 6 cents each; over  
 10, 5 cents each, over 20, 4 cents  
 each.

A petition is being circulated  
 here asking that the president par-  
 don H. H. Hendricks, convicted in  
 connection with the land fraud cases  
 of perjury. It has been clearly  
 proven, by the confession of  
 another, that Mr. Hendricks is inno-  
 cent and should be set at liberty.  
 Those who know him testify to his  
 good character. The Outlook does  
 not want to see an innocent man  
 suffer for another's misdeeds,  
 neither does anyone, and it is urged  
 that the Golden Rule be applied in  
 this case, and everyone sign the  
 petition. Mr. and Mrs. Manning  
 are well acquainted with Mr. Hen-  
 dricks and vouch for his good name.

We must begin to realize, says  
 this Sunday Oregonian, that one of  
 the choicest assets of the Northwest  
 is the adaptation of our soil and cli-  
 mate to the animal industries. In  
 no other part of the country can  
 livestock be grown with greater  
 profit than here, in no other por-  
 tion is the outlook for the future so  
 bright. Perhaps Governor West  
 had these facts in mind when on  
 Friday he said in his remarks at  
 San Francisco: "We want to real-  
 ize that the livestock exhibit at the  
 exposition of 1915 will do more good  
 to the Pacific Coast than any other  
 thing which that great exposition  
 may accomplish."

**Saving Currants and Gooseberries.**  
 In an effort to save the currant  
 and gooseberry industry, now almost  
 a complete failure in some parts of  
 the state because of a fly infesting  
 the bushes, A. L. Lovett of the crop  
 pest staff will experiment this  
 summer with a spray which has  
 proven effective in killing the Med-  
 iterranean fruit fly in South Africa.  
 For three years Prof. Hally has ex-  
 perimented with this spray in Cape  
 Colony, and says that the fly eats  
 it readily. It is composed of three  
 ounces of lead arsenate to  
 two and a half pounds of sugar and  
 four gallons of water, and is ap-  
 plied just at the time the petals  
 fall. Mr. Lovett will apply a sec-  
 ond spray about two weeks later.  
 Prof. Lovett will spend practical-  
 ly the whole of the summer on this  
 experiment and other investigations  
 of insect pests in the orchards and  
 gardens in the Portland district.  
 He went to North Albany last week  
 to plan the summer campaign against  
 the cabbage and radish maggot, and  
 to investigate a report of a ser-  
 ious insect pest which is injuring to-  
 mato seed.

**Parents Take Notice.**  
 The following statutes from Lord's  
 Oregon Laws, will clear up several  
 points which have been uncertain  
 in the minds of many. It will be  
 readily seen that both these statutes  
 are being violated with impunity.  
 Parents should be informed con-  
 cerning these things and should see  
 that the laws are obeyed.  
 Section 2145. If any person, be-  
 ing the owner, lessee, proprietor, or  
 employee of any cigar store, public  
 card room, saloon, barroom, public  
 billiard room, public pool room, soft  
 drink establishment, or other pub-  
 lic place of amusement, shall suffer  
 or permit any minor to engage in  
 any game of cards, billiards, pool,  
 bagatelle, dice throwing, or other  
 public game of chance in such cigar  
 store, public card room, saloon, bar-  
 room, public billiard room, public  
 pool room, soft drink establishment  
 or otherwise, such person shall be  
 deemed guilty of a misdemeanor  
 and upon conviction thereof shall be  
 punished by a fine of not less than  
 \$25 nor more than \$100.

Section 2148. It shall be un-  
 lawful to sell, barter, trade, give or  
 in any manner furnish to any minor  
 under the age of eighteen years,  
 any tobacco, cigars, or cigarettes in  
 any form, or any compound in which  
 tobacco forms a component part,  
 without the written consent or or-  
 der of such minor's parent or guard-  
 ian; and when such minor has no  
 parent or guardian then in that  
 case consent may be given by the  
 county court, sitting for the trans-  
 action of county business, upon  
 proper applications in the county in  
 which said minor may have his  
 residence. Any person violating  
 the provisions of this act shall, up-  
 on conviction, be fined in any sum  
 not less than \$5 nor more than \$50.

**MR. AND MRS. NEAL  
 KEEP FIFTIETH WEDDING**

The fiftieth anniversary of the  
 marriage of Mrs. and Mrs. J. B.  
 Neal of Lents, Oregon, was cele-  
 brated on Wednesday, March 20,  
 1912, at their home by a number of  
 their friends and relatives. A boun-  
 teous dinner was served and Mr.  
 and Mrs. Neal proved themselves as  
 efficient at entertaining as they  
 could have done fifty years ago.  
 An interesting feature of the  
 event was the wearing by the bride  
 of the same wedding ring and brooch  
 which were worn fifty years ago.

A very appropriate little talk  
 was given by Elder Cummings which  
 was followed by a reading from  
 the Scriptures, and prayer.

The friends present were, Mr. and  
 Mrs. G. W. Jenkins and daughter,  
 Miss Olive, Professor and Mrs. G.  
 Garrison of Lents, Elder Cummings  
 of Archer Place, Mr. and Mrs. C. W.  
 Vedder, Mrs. Grace Wilson and W.  
 H. Vincent of Portland, Mrs. O.H.  
 Akeyson of Newberg, Mrs. Jane  
 Richards and son Nat of Beaverton,  
 Mr. and Mrs. J. W. Stone and S. E.  
 Card of Boring. The relatives  
 present were, their daughter, Mrs.  
 M. A. Childs and her son John of  
 Boscobel, Wis., and Mrs. Child's  
 daughter, Miss Beth of Portland,  
 Mr. and Mrs. Frank Roseboom and  
 son Orval of Boring, Mr. and Mrs.  
 Roy Neal and children, Elmer, Har-  
 old, Evelyn, Della, Leona, Donald  
 and Opal of Lents.

Two of Mr. Neal's sons, Benja-  
 min M. of Odessa, Nebraska, and  
 Henry W. of Kearney, Neb., were  
 unable to be present.

## LET US RAISE YOUR SALARY

Every man takes two steps that have, perhaps, greater bearing  
 on his life than any others he may take from childhood to old age.  
 The first is when he decides on what vocation he is going to  
 follow. That is a very important step, but, it is not even half so  
 important as the step he takes when he decides HOW he is going to  
 prepare himself to follow that vocation.

If you want to be SUCCESSFUL in any line, THOROUGH  
 PREPARATION is ABSOLUTELY NECESSARY. There is no better  
 way to prepare for success than by taking a course in the  
 INTERNATIONAL CORRESPONDENCE SCHOOLS. The history of  
 our students is a history of success. We can furnish you with rec-  
 ommendations from thousands of students and from numerous of  
 the leading educators of this country that prove conclusively that we  
 can do all we claim, and more. If you have ambition and desire to  
 better your condition, write for information and literature on any  
 course you may be interested in.

**For Staggerweed.**

A friend writes to the Outlook  
 the following cure for the disease  
 among stock known as staggerweed:  
 10 grains potassium permangan-  
 ate.  
 10 grains aluminum sulphate.  
 Add to one quart of water, and  
 give as a drench.  
 The remedy is not expensive and  
 may be kept on hand for a long  
 time if kept corked tightly.

When you have rheumatism in  
 your foot or instep apply Cham-  
 berlain's Liniment and you will get  
 quick relief. It costs but a quarter.
