State Fair Prizes for Bees.

Cash prizes amounting to some \$110 will be offered this coming fall at the state fair for bee exhibits from different parts of Oregon, according to a recent letter from Secretary Frank Meredith of the State Board of Agriculture to Secretary H. F. Wilson of the State Beekeepers' association, who is also the professor in charge of the apinary at the Oregon Agricultural College.

Entries close Sept. 1, and exhibits must be in place by 6 a. m. next day. The entry fee has been placed at ten per cent of the first premium, and a ruling has been made providing that all exhibits must have been produced in the exhibitor's own apinary in 1912, and no prizes will be given exhibits from outside the state borders, not in cases where there is no competition. Where the exhibits are not individually worthy, no premiums will be given, and no second grade product will be given first place, even when there are but two entries. The honey must be pure nectar, not sugar or syrup honey, and the judges will open the packages to determine this point. Sections not three-fourths full are barred. The prizes are as follows:

Specimen of comb honey, not less than 24 lbs., 1st prize \$5; 2d, \$3.

Most attractive display of comb honey, 1st prize, \$10; 2d, \$5.

Specimen of extracted honey, not less than 24 lbs. 1st prize, \$5; 2d, \$3.

Most attractive display of extracted honey, 1st, \$10; 2d, \$5.

Specimen of beeswax, not less than 10 lbs. soft bright yellow wax given the preference, 1st, \$4; 2d, \$2.

Most attractive display of beeswax, 1st, \$6; 2d, \$3.

Honey vinegar, not less than one gal. shown in glass, 1st, \$3; 2d, \$2.

Single comb nucleus Italian bees, 1st, \$5; 2d, \$3.

Single comb nucleus black bees, 1st prize, \$5; 2d, \$3.

Single comb nucleus Carniolan bees, 1st, \$5; 2d, \$3.

Single comb nucleus Caucasian bees, 1st, \$5; 2d, \$3.

For the largest, best most interesting, attractive and instructive exhibition in bee raising a sweepstakes prize of \$15 will be offered.

The State Beekeepers' association is anxious to make the exhibit an excellent one, since upon this point hangs the question as to whether it shall be made a permanent part of the state fair exhibit.
