Joseph L. Boudwin returned Monday from Seattle where he has been spending the week, visiting his brother, Dr. Charles Boudwin. It is with pleasure that he announces his brother is in the race for coronor of King county, Washington.

Little Kathryn Blood, daughter of Mr. and Mrs. Wm. Blood, is suffering from whooping cough and measles and is quite sick.

The annual circuit and society meeting for Gresham circuit will be held in the Free Methodist church next Friday afternoon at 2 o'clock. Officers will be elected for the coming year and all members of the society and friends are urged to be present.

C. F. Slater of the contract department of the P. R. L. & P. Co., was in town with B. O. Boswell yesterday preparing to extend electric light wires along the county road from Powell street to G. F. Honey's.

The fourth quarterly meeting of the year for the Gresham charge will be held in the Free Methodist church this week, beginning Friday evening and continuing over Sunday. Rev. W. N. Coffee, the presiding elder, will preach Friday evening, Saturday evening, Sunday morning and evening. The official meeting will be Saturday evening at the close of the sermon.

H. H. Cloyes returned to his home in San Francisco Saturday, March 23. He had been detained three days after Ford Metzger's funeral, by the John Plumaker damage suit against the Shaw-Batcher Co.

W. F. Cummins and wife of Troutdale were in town yesterday. Mr. Cummins has a fifteen-acre farm near Troutdale which he wants to sell.

Rev. J. A. Hopper closed the series of special meetings at Estacada on Sunday night. The special services lasted three weeks and resulted in a general quickening of the work. Members of other churches spoke of receiving benefit. Rev. W. H. Anderson assisted the pastor. A class will probably be organized and there will be regular preaching on Sundays by Mr. Hopper. The dates will be the first and fourth Sundays at 7:30 o'clock in the evening.

Mrs. Hester, widow of J. C. Hester, has rented her home in Arleta and will spend some time in Gresham. Mrs. Hester is now at the home of Mrs. Mary Cleveland on Second street and Roberts avenue. Old residents will remember Mr. and Mrs. Hester who formerly owned the home now owned by J. N. Mewhirter, and who lived here several years.

H. E. Davis is putting in several thousand Loganberry plants on the Mountain View Farm of which he is manager. He is also setting out blackcaps, raspberries and gooseberries and currants, most of the plants are purchased of the Russellville Nursery. About seventeen acres will be used for small fruit. This is one of the finest farms in the country and Mr. Davis is successfully looking after its various interests.

Do not forget that Saturday is "Red Letter Day" for the S. & H. trading stamp collectors. Visit Shattuck & Lindsey's or Wostell & Co.'s stores on that day, bring your stamp book and receive a dollar's worth of stamps free. Also bring coupons, trade-marks, tags, etc., and get stamps for them.

Wm. Ploemacher, who brought suit some months ago against the Shaw-Batcher company for injuries received while in their employ, is reported to have lost the case. He was granted a new trial which will come off in June.

Portland Stock Show a Great Success.

In quality of stock exhibited in the number of thoroughbred animals entered, the prices realized by stockmen for their fancy exhibits, the attendance and the absorbing interest manifested in the show, not only by breeders of the entire Northwest but by the general public, the Pat Stock show held by the Pacific Northwest Livestock association at Portland last week was the most successful event of the kind ever held on the Pacific coast. Weather conditions were ideal and the attendance was estimated to exceed 6,000 people during the three days.

The quality of the stock was so far superior to that of last year that officials and stockmen were positive that the grand champions of former shows would not have been eligible even for the smallest prizes this year. The champion carload, consisting of fifteen head of magnificent Herefords, was probably never surpassed, if equalled, at any show in the United States. This carload was sold at auction, bringing \$10.10 per 100 pounds, almost \$1 per 100 more than paid for the champion carloads last year.

The grand champion steer, also a Hereford entered by the University of Idaho, was a beautiful two-year old of almost faultless proportions, and was sold for \$1.20 per pound, on foot, a price which has been exceeded but once in the United States for a single meat animal. The second prize steer was sold for 95 cents per pound.

A prominent feature of the show was the splendid exhibit of hogs from central and eastern Oregon, alfalfa-fed and wheat-finished in every instance, equaling in size and quality any similar showing made in recent years in the best corn and hog growing states of the middle west. Prices for hogs averaged nearly 8 cents per pound.

NATHAN H. BIRD

REPUBLICAN CANDIDATE FOR NOMINATION FOR SHERIFF.

As a candidate for nomination for Sheriff of Multnomah County I desire to make the following statements:

FIRST—I if nominated and elected, I will feed the prisoners at the Courthouse and at Kelly Butte at actual cost to the county, and will make public the same, together with the actual cost of the entire office, including the profits made by the same. I will work for the flat salary provided by law and will account to the taxpayers for all the moneys and payments that come into the office, and will turn the same over to the proper official. Give me a tryout and see what I will do.

SECOND—I was born in this state and have raised and educated my family in Portland, I have nothing to fear from my past record, and am under no obligations to friend or foe. I am in a position if elected, to give the criminal element my closest attention, and will put forth a special effort to subdue vice and crime.

The Sheriff's office shall be my headquarters at all times except when out on actual duty, and the duties of said office shall have my entire time and attention.

THIRD—I am a working man myself and have won the confidence of the business men of Portland. They are aware that my training is such that if nominated and elected I will give the people an economic, impartial business administration, and that I will greatly reduce the costs of the Sheriff's office to the taxpayers of this county.
