NATHAN H. BIRD

REPUBLICAN CANDIDATE FOR NOMINATION FOR SHERIFF.
 As a candidate for nomination for Sheriff of Multnomah County I desire to make the following statements:
 FIRST—If nominated and elected, I will feed the prisoners at the Courthouse and at Kelly Butte at actual cost to the county, and will make public the same, together with the actual cost of the entire office, including the profits made by the same. I will work for the flat salary provided by law and will account to the taxpayers for all the moneys and payments that come into the office, and will turn the same over to the proper official. Give me a tryout and see what I will do.
 SECOND—I was born in this state and have raised and educated my family in Portland, I have nothing to fear from my past record, and am under no obligations to friend or foe. I am in a position if elected, to give the criminal element my closest attention, and will put forth a special effort to subdue vice and crime.
 The Sheriff's office shall be my headquarters at all times except when out on actual duty, and the duties of said office shall have my entire time and attention.
 THIRD—I am a working man myself and have won the confidence of the business men of Portland. They are aware that my training is such that if nominated and elected I will give the people an economic, impartial business administration, and that I will greatly reduce the costs of the Sheriff's office to the taxpayers of this county.
 N. H. BIRD,
