

GRAND PICNIC AND S. S. RALLY

The Clackamas County Sunday school association has decided to hold a grand union rally and picnic at the Chautauqua Park at Gladstone on Friday, June 21, 1912.

The committees are working very hard to make this day a great success and a benefit to the Sunday schools of the county. Many of the schools are already planning to attend and arrangements are being made to have special car service to the Chautauqua grounds on that day.

Mr. G. Shuble of Oregon City has charge of that. The committee on program and advertising have held several meetings and will have a good literary program prepared which will consist of songs, impromptu speeches, athletic sports and "acquaintances renewed."

The members of the committee are Mrs. W. A. White, Prof. Fred Toozie, and Mr. Schuble. O. W. Boring is member ex-officio. The committee on sports have arranged for the following events:

Boys' race, from 16 to 18 years, 100 yards.
Boys' race, from 14 to 16 years, 100 yards.
Boys' race, from 12 to 14 years, 50 yards.
Boys' race, from 9 to 12 years, 50 yards.
Girls' race, from 14 to 16 years, 50 yards.
Girls' race, from 12 to 14 years, 50 yards.
Girls' race, from 9 to 12 years, 50 yards.

Three legged race, boys, 30 yards.
Sack race, boys, 30 yards.
Fat boys' race, 30 yards.
Fat girls' race, 30 yards.
Egg race, girls, 30 yards.
Tug of war, boys, 12 on a side by schools.

Broad jump, high jump.
Exhibition drill by boy scouts, prize for the best team.

The baseball team of the Presbyterian Sunday school of Oregon City issues a challenge to any Sunday school team in Clackamas county to a base ball game to be played the day of the picnic. The committee on games and sports is composed of Prof. F. Toozie, president of the association; L. Adams, Mr. Smith and Kent Wilson.

The committee on prizes for the different events is composed of Mr. J. W. Louder, Mr. Burdette and Roy Cox.

The officers of the Clackamas County Sunday school association are as follows:
President, Prof. Fred Toozie; vice-president, Mrs. W. A. White, both of Oregon City; O. W. Boring, secretary and treasurer of Boring, teacher training, E. A. Allen, Oak Grove; Home department, Mrs. D. C. Latourte; Good Citizenship, Mrs. McArthur; Elementary superintendent, Miss Clara Ulrich; missions, Miss Amy Purrell; Adult department, Ralph J. Eddy.

Great credit is due the officers of the association for the way they have worked for the county in hand, and the prospects for the county association were never brighter than they are at the present time.

The officers want to urge all Sunday school superintendents of the county to have their school attend the picnic in a body.

Party at Mrs. Percy Giese's.

Six auto loads of women from Gresham took Mrs. Percy Giese by storm last Friday afternoon. They filled her spacious porches and wandered through her beautiful rose garden, in which nearly a hundred varieties of well kept roses are growing. Many other rare plants and botanical curiosities were seen. All enjoyed the splendid view to be had and thought it would be an ideal place in which to live. Tea was served on the porches.

Chiropractic Removes Cause

Without drugs or knife. Nature always cures when the cause is removed. This means your disease.

With interrupted nerve force, health is impossible. Without nerve force, the blood cannot circulate properly. A lack of circulation means strangulation, and strangulation causes many diseases, such as dropsy, tumors, running sores, and the various so-called skin diseases.

Chiropractic (Nature's Method) frees the nerves, thereby permitting the refuse to be thrown out of the body through the natural channels. Pressure upon nerves causes such diseases as paralysis, rheumatism, neuralgia, asthma, female diseases and the various diseases of the stomach, liver and kidneys.

As all the motor and sensory powers are derived from the nerves, it is plain to see that the nerves should be freed from all abnormal pressure. Strange, but true, all nerves of the body may be acted upon by the hands.

Drs. Bockman and Thompson, at Congdon Hotel, will be glad to explain the chiropractic methods.

WANT BASE LINE ROAD EXTENDED

An effort will be made to have the Base Line road extended directly across the Sandy river from its present terminus near the 14-mile post. This move is contemplated by several persons who will be interested, and efforts are being made to have the road extended by direction of the county road.

If built, this mile piece of road will be one of the most important extensions ever made in Multnomah county. A substantial bridge will be required, besides the usual work of clearing, grading and graveling. It will bring the territory east of the river into direct communication with Portland and the entire district west of the river, besides eliminating steep hills and detours, and will save several miles in distance.

The proposed extension will pass through land owned by Samuel Streben, E. T. Williams, and A. B. Conrad. All have agreed to donate the necessary 60 feet for right of way for the new road, and will assist in every way to have the new extension made. The greatest expense will be the new bridge across the Sandy. Preliminary surveys show that there will be but slight grade, and this will tend to make the new road a popular one. Donald McKay and Carl Nelson, supervisors in charge of the road districts on each side of the Sandy, are in favor of the plan.

AUTO OWNERS, JOIN PARADE

The plan to represent this locality by a good number of decorated autos in the Rose Festival auto parade in Portland, Wednesday, June 12, is meeting with enthusiastic support.

At the adjourned meeting of the Commercial club Wednesday night the plans were carefully considered and steps were taken to make the participation in this great event as general and worthy of the locality as possible.

It was at first thought by some that it was not worth trying at all because no one or all united could enter an elaborate and expensively decorated car. Several persons had been investigating the situation and reported that while we could not expect to compete for a prize with the expensively decorated cars we could make a good showing for this part of the county by entering a large number of cars decorated by the owners and their friends. Each one can make the floral decoration of his car as elaborate as his time and pocket book will stand. Some will use wild flowers, some roses in a background of moss, some floral designs, some festoons of roses. The variety possible with floral effects is almost endless.

It was stated that the Fair association would decorate a car, showing in flowers the date of the Multnomah county fair. It is probable the committee will provide a small silk pennant for each car showing the locality represented.

A committee was appointed consisting of O. A. Eastman, G. H. Dammeier, D. M. Roberts to give information and direct the arrangements. It is necessary to notify this committee of the entry of a car in this way all cars from this part of the county will be entered in a division. D. M. Roberts' office, because of its convenient location, has been selected by the committee as headquarters.

Those who have already agreed to participate in this division of the parade are the following:

Lewis Shattuck, D. M. Roberts, A. E. Lindsey, A. W. Regner, O. I. Neal, M. Kronenberg, T. R. Howitt, G. H. Dammeier, John Sletet, W. F. Honey, Geo. F. Honey, A. Meyers, E. S. Jenne, A. Brugger, E. A. Thompson, R. R. Carlson, J. W. Parker, and J. M. Short.

The rules and further information will be supplied by the committee.

Card of Thanks.

The M. A. Ross Post G. A. R. and W. R. C. wish to tender thanks to those who so kindly assisted in the music at the Memorial exercises at the hall and in the cemetery.

The newly organized Fairview baseball team will play the Corbett team at Fairview next Sunday, June 2.

FLORAL TRIBUTES ADORN GRAVES

The conditions provided by Nature for the solemn observances of Memorial day could not have been more ideal than they were yesterday in this part of Oregon.

The flowers which had been held back by several days of cold rain seemed to burst forth in new beauty and abundance. Advantage of the beautiful day was taken by thousands who did honor to the nation's dead, and who also decorated the graves of other loved ones. The day was observed in Gresham with appropriate exercises under the auspices of the M. A. Ross Post G. A. R. and W. R. C. The program included invocation by Rev. J. H. Wood, and a song by a male quartet, consisting of Messrs. C. W. Albertson, C. E. Rusher, H. L. Pulfer and Jackson Jones.

Lincoln's Gettysburg speech was read by Mrs. B. W. Emery and Miss Grace Hessel sang a solo. The address of the day was by John Huntington of Lents, on Two Flags on the American Continent. After another song by the male quartet, all marched to the cemeteries where a beautiful and impressive service was read by Post Chaplain O. Thomas and Past Commander W. R. Butler.

Those buried in Gresham cemeteries, whose graves were decorated by their comrades, were Henry Kane, John Hurlburt, Oscar Burr, Lorenzo Winters, Chas. Sweet, John Cross, Merrill Ball, John Atkins, Chas. Pynchon, W. G. Andrews, Newell Quinby, E. S. Bramhall and Jacob Shultz.

All day long the crowds came and went, visiting the cemeteries and decorating graves.

FESTIVAL OF SONG

The Rose Festival will appropriately be ushered in this year by the first annual Rose Musical Festival in the Gipsy Smith Auditorium, June 7, 8, 9 and 11.

The soloists are, Mary Cheney, the Welsh-American soprano, Elliott Van Hoose, America's most eminent tenor, Oscar Ehrigott, the celebrated, brilliant bass.

"The Case against War," is the theme of the oration, by David Starr Jordan, LL. D., president Leland Stanford Junior University. Rose Sunday, June 9.

The Festival Symphony orchestra and two great choruses will participate. The complete Oratorio "Creation" will be rendered. There will be many other selections by soloists, chorus and orchestra.

One of the great attractions will be the happy songs in two matinees by a thousand boys and girls.

Single Tax Rally Postponed.

Announcements were made last week for an anti-single tax meeting and a speech by J. D. Stevens, to be held in the Grange hall, Thursday evening, May 30. It was not noticed at the time that the date fell on Memorial day. Mr. Stevens was unwilling to hold a political rally on that day, so recalled his announcements, and arranged for the hall for next Thursday evening, June 6. Mr. Stevens will speak on the Folly and Injustice of Single Tax. Mr. Stevens is well informed on the subject, and will make a rousing speech which all voters should hear.

THINGS DOING AT ESTACADA

ESTACADA, May 31—Officer Ames has yet found the party who stole the horse and buggy from Hol Carter. He has traced him as far as Oregon City, but failed to find him.

Harry Snyder was in Portland the first of the week seeing about the theft of his safe from his store at Cazadero and has not yet discovered the mail sack stolen. He was taking the matter up with the postal authorities and they hope to discover the parties as it looks very much like amateurs. They rolled the safe out of the building and drilled in the top and tried to blow it up with black powder, but were frightened away before getting the safe which contained about \$400.

The Christian church gave a home talent play at the Boner Theater, Thursday night. All standing room was taken, and the play, Diamonds and Hearts, was surely well staged. Especially Mrs. Gertrude Grimm, the leading lady, did well and also Mrs. O. O. Bland and Earl Tracy, as Bub and Sis, played their parts well and all seemed well pleased, and hope it will not be the last play they will stage in Estacada. In fact, they all did fine and not a bad break was made in the entire play. Members of the church are more than pleased by the liberal patronage given them by the people of the town.

Mrs. B. O. Boswell had the misfortune to fracture her right arm Tuesday at 4:30 by slipping on a wet plank walk at her home at Estacada. She was alone at the time, and thought it was only a bad sprain and had bandaged the arm and bathed it in hot water until Mr. Boswell arrived from Portland, who called Dr. Adix, who set the arm and also found it was dislocated in the wrist as well. She is getting along as well as could be expected under the conditions. Miss Lella Howe is taking care of Mrs. Boswell. She is a very good nurse, as well as a good cook. Three years ago Mrs. Boswell fell and broke the left wrist in the same way as this one.

The Ladies' Aid society will give a strawberry and ice cream social Friday evening in the Odd Fellow's hall at Estacada. They expect a large attendance and a good time is assured. There will also be a rummage sale for the benefit of the churches soon.

The men at River Mill Power house changed shifts yesterday morning. Night men take the day shift and day men the night shifts. J. R. Cassidy in charge of the painting crew is surely making the Power house shine. Mr. Posson, who has been foreman so long at River Mill leaves for Bull Run Monday to take the same position over there. Mrs. Mary Posson goes with him to Bull Run.

The case against the three young men from Garfield for the attempted holdup was continued for a few days. It is thought it was only boyish pranks and no intention as a holdup is the prevailing opinion.

The firemen of Estacada Volunteer Fire department will give a Fourth of July celebration. The P. R. L. & P. Co., have donated the use of the park and pavilion for the occasion. The Hon. Geo. C. Brownell will make the big talk for the firemen on that day. There will be races, ball games, dancing and other sports the entire day, and a dance in the evening. They should have a good crowd, weather permitting.

Ma. Krigbaum from Garfield was in the town yesterday calling on old friends. Ma is looking fine and says things are looking fine in the Garfield country, but the prunes are most all killed.

B. O. Boswell of the P. R. L. & P. Co. was in Troutdale Friday looking after the wiring of Wm. Lipman's boat house on the Sandy river which by the way was floated from Portland, and they are painting and improving it up like a palace. It will be electric lighted and modern in every respect. There are 40 electric lights in the boat house.
