Ever Consider the Power of Interest?

Well, the common people of France receive over \$260,000,000.00 every year in interest on money loaned by them to people who are less thrifty.

Deposits in Our Savings Department
Have Increased from
\$2,595.04 in 1911 to \$14,004.60 in 1912

WHY?

Because the young people have been saving. They are not going to shoot crackers July 4th and at that time over \$200 of interest will be added to their principal.
