What Makes a Woman?

One, hundred and twenty pounds, more or less, of bone and muscle don't make a woman. It's a good foundation. Put into it health and strength and she may rule a kingdom. But that's just what Electric Bitters give her. Thousands bless them for overcoming fainting and dizzy spells and for dispelling weakness, nervousness, backache and tired listless, worn out feeling. "Electric Bitters have done me a world of Okla.," and I thank you, with all my heart, for making such a good medicine." Only 50c. Guaranteed by good," writes Eliza Pool, Dewey, all Druggists.

FIT FOR A QUEEN.

Therefore it is Not Too Good for American Women.

No queen ever used a better one. No American woman should use an inferior one, because nothing is too good for her. This thought governs in the making of Violet Dulce Talcum Powder.

Violet Dulce Talcum Powder is so impalpably fine as to make it unusually persistent in its clinging qualities. It leaves the skin soft and velvety. It gives forth the dainty, exquisite odor of freshly-cut violets. Its soothing antiseptic qualities help to allay irritation and keep the skin in health. It is cooling, comforting—a delight to men and women who want the best and faintest.

Violet Dulce Talcum Powder will in every way please the most exacting woman. That is why we sell more of it than of any other kind, and hear more praise for it than for all other kinds put together. Use it and you will praise its high quality. We are sure of this, and want you to try it at our risk. If it does not more than satisfy you—if it does not delight you—we want you to tell us and get your money back. Price, 25 cents. Sold in this community only at our store, The Rexall Store, Gresham Drug Co.
