Welches

WELCHES, Aug. 26.—Welches resort is a very inviting place at which to spend a few days, or several weeks' vacation, mountain climbing, huckleberrying, fishing, camp fires and dancing. Something doing all the time. A great many trout are being taken from the streams, and deer meat has been brought into camp a number of times. Mr. Welches' hotel was crowded to the limit Saturday night, many are the praises that are given to this place.

A goodly number of campers are preparing to leave this week as school days commence soon.

Mr. and Mrs. Earl Thompson, the newly weds, of Gresham, are spending their honeymoon at camp Linger Longer. They were charivariated the night of their arrival, to the tune of tin cans, pans, tubs, guns and all kinds of queer noises. Earl made a speech for the benefit of those not married after which candy and cigars were passed around and a flashlight picture was taken of the crowd. All departed, giving best wishes and a parting three cheers.

Mrs. Jennie Welch made a trip to Mt. Hood last week to take pictures of the mountain and other prominent places. While there Mrs. Welch climbed Mt. Hood and made the trip easily. Some very beautiful and interesting pictures were secured. These views will be printed on post cards and sold to the post card collectors. One very interesting view was the Ice cave.

Hotel Maunding, of which F. F. Tawney and son are proprietors, is crowded to the limit with guests, rooms being spoken for days ahead of the time they want them. The hotels have had to almost turn away these last few days.
