Jenne Station

The Jenne station's sunny smiles are noticeable even on rainy days. The last few days' rain was exceptionally cold for this time of the year.

E. S. Jenne, president of the Jenne station improvement club has just finished his new porch which is of the "Queen Ann" style and is the only one of its kind around Jenne station. The porch is twelve feet wide, thirty feet long one way and forty-eight feet the other, which makes it of sufficient size to be convenient for all purposes, even for dances. With the finishing of the porch and a newly painted house Mr. Jenne has a very attractive and stylish home and is a decided improvement in the appearance of the place.

Mr. and Mrs. J. M. Mann and their son Maurice left for Astoria Saturday on business. He also will take in the Regatta held at that place while there. Mr. Mann expects to return about the middle of next week.

Mr. and Mrs. J. Chido of Gresham visited their daughter Mrs. S. G. Marasco Friday. Mr. Chido has not been around this neighborhood for some time and was much surprised at Jenne station's doings.

The Jenne station's picnic grounds were visited by several people in spite of the bad weather Sunday. Dell Regal was ready to house 'em in case of a real hard shower.

What We Never Forget according to science, are things associated with our early home life, such as Bucklen's Arnica Salve, that mother or grandmother used to cure our burns, boils, scalds, sores, skin eruptions, cuts, sprains or bruises. Forty years of cures prove its merit. Unrivaled for piles, corns or cold sores. Only 25c at all Druggists.

An article that has real merit should in time become popular. That such is the case with Chamberlain's Cough Remedy has been attested by many dealers. Here is one of them. H. W. Hendrickson, Ohio Falls, Ind., writes, "Chamberlain's Cough Remedy is the best for coughs, colds and croup, and is my best seller." For sale by Gresham Drug Co., and all Dealers everywhere.

The Men Who Succeed

as heads of large enterprises are men of great energy. Success, today, demands health. To all is to fail, it's utter folly for a man to endure a weak, run down, half alive condition when Electric Bitters will put him right on his feet in short order. "Four bottles did me more real good than any other medicine I ever took," writes Chas. B. Allen, Sylva, Ga. "After liver trouble, stomach disorders and years of suffering with rheumatism, deranged kidneys, I am again, thanks to Electric Bitters, sound and well." Try them. Only 50c at all Druggists.

The influence of the women voters has always been on the side of temperance, morality and good government. It has been opposed to drunkenness, gambling and immorality.—Ex-Chief Justice Groesbeck of Wyoming.

A woman may vote as a stockholder upon a railroad from one end of the country to the other. But if she sells her stock and buys a house with the money, she has no voice in the laying out of the road before her door, which her house is taxed to keep and pay for. Why in the name of good sense if a responsible human being may vote upon specific industrial projects, may she not vote upon the industrial regulation of the state.—George Wm. Curtis.

Sandy

Mrs. G. M. Talmage was a Portland visitor Friday of last week. The heavy rains of the past few days are driving the campers out of the hills, and say! how it does rain.

"There's music in the air" in very truth these days. If practice makes perfect, then the Sandy band is on the fair road to become proficient in the art of dispensing sweet strains for they are at it morning noon and night in some part of town. The band deserves praise for its untiring efforts and, as always, hard work and persistency is bringing its own reward. The boys are giving clean, orderly dances which are well attended.

Several of the Sandy people attended the dance at Eagle Creek and reported a good time.

Mrs. R. S. Shelley and daughter Hope were the guests of Mrs. Talmage and Mrs. Blanche R. Shelley last week.

Mrs. Albert Bell and son returned from Portland Saturday afternoon. The play advertised for last Saturday evening by the Wright company was postponed on account of illness of some member of the cast. Miss Lizzie Smith was a St. John's visitor one day last week.

Many Driven from Home

Every year in many parts of the country, thousands are driven from their homes by coughs and lung diseases. Friends and business are left behind for other climates, but this is costly and not always sure. A better way—the way of multitudes—is to use Dr. King's New Discovery and cure yourself at home. Stay right there, with your friends, and take the safe medicine. Throat and lung troubles find quick relief and health returns. Its help in coughs, colds, grip, croup, whooping cough, and sore lungs make it a positive blessing. 50c and \$1.00. Trial bottle free. Guaranteed by all druggists.

Miss Elsie Smith, teacher of German at Hood River, is visiting her brother Owen E. Smith at Estacada.
