

W. H. FITZGERALD

Republican-Progressive Nominee For Sheriff

To the Voters of Multnomah County:

At the primaries held in April I received the Republican nomination for the office of Sheriff of this county over a number of popular and worthy candidates. At the county convention of the Progressive party, after a thorough investigation of the character and fitness of the various candidates, I received the unanimous and unsolicited endorsement.

I am bitterly opposed by Big Business as represented by the corrupt corporations and a considerable amount of money is being spent to accomplish my defeat. They know that when I am elected Sheriff they cannot use me for their own selfish ends. They know that I will run the office for the benefit of ALL the people without regard to wealth or position. I would rather not be elected Sheriff than to take the office and be tied down with promises to serve ANY PARTICULAR SET OF PEOPLE.

Read my platform over carefully. It contains all the promises I have made in this campaign and was filed with the County Clerk, BE-FOR THE PRIMARIES.

"I will during my term of office maintain the highest efficiency; will demand strict enforcement of the laws and rigid regulation of roadhouses; will favor a measure placing the care and feeding of county prisoners directly under control of the County Court to the end that road building may continue unhampered. DURING MY TERM OF OFFICE I WILL ACCEPT ONLY THE FLAT SALARY PROVIDED BY LAW and will return all fees not actually expended."

I regard that platform and the promises I make during the campaign as a contract with the voters of the County and will carry them out to the letter.
