"Watch the baker's wagon being loaded in the early morning hours. The coat, the gloves that were worn when the horses were harnessed are still on. The bread is piled high on the sleeves of that coat; it is handled by those gloves. Is the bread wagon very clean? Does the driver pile a good deal of bread on the front box and then pass the lines over it? In the hot summer days do the flies rise from the filth of the road when the wagon stops and swarm into the wagon? Are you certain that the bake-shop kitchen is as clean as your own? Did you ever find something unattractive in your bread?"

When you have a bad cold you want the best medicine obtainable so as to cure it with as little delay as possible. Here is a druggist's opinion: "I have sold Chamberlain's Cough Remedy for fifteen years," says Enos Lollar of Saratoga, Ind., "and consider it the best on the market." For sale by Gresham Drug Co., and Dealers everywhere.
